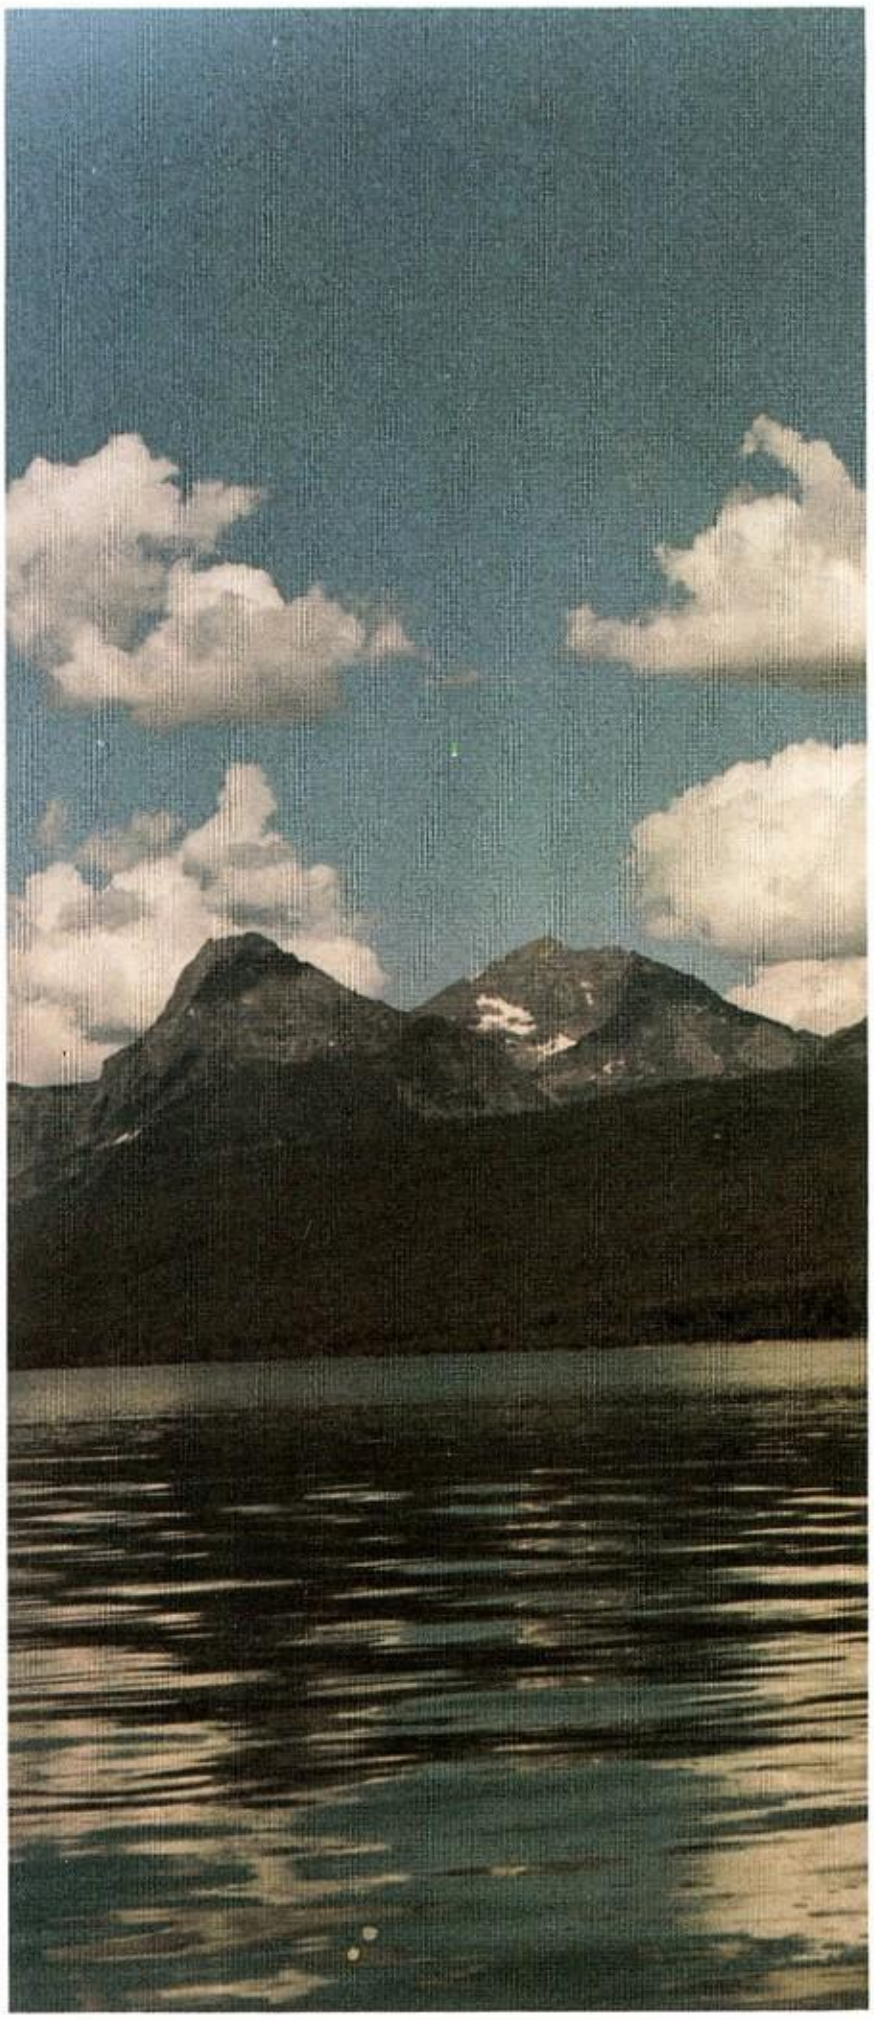
Mr. Gabler

MARTIN LUTHER PHALANX STAFF presents



"It has been said that our high school years are the best years of our lives. They are years filled with friends, homework, exams, dances, games, and parties. Even though each of us has gone through different experiences and has had different feelings about high school, these years will be remembered by each and every one of us for the rest of our lives.

With this in mind, the 1981-82 Phalanx staff would like to present this yearbook to you with the theme of 'Reflections.' We had tried to capture the special and important times of this year at Martin Luther throughout this yearbook. It is our hope that as you page through this book now and in years to come, memories of your high school days will come back to you and be cherished forever."

A familiar sight to many.

As we reflect on the school year of 1981-82, what do we remember? Preppies, the Rock, hot dogs everyday at lunch? Or maybe jocks, snow days, and good friends? All of these things made the year one to remember. Such things as plaid skirts, band tour, study halls, and even Chemistry exams helped to enrich our lives, keep us moving forward, give us a laugh or two, and help us spread the light of Christ to an otherwise dark world. In years to come, as we remember feathered hair, basketball games, and a wet Homecoming, we hopefully will also remember that one day we will all be together again through the love of Christ.

"Martin Luther High School is built on Jesus Christ. Jesus is the person who changes lives and gives them a purpose. The Spiritual Life Committee was organized to make Christ an evident part of life at Martin Luther. Student devotions and homeroom devotions were results of this organization. Chapel is a place for creative worship. It's a place to praise God and learn about his marvelous love, the love that gives our ever so seemingly complex lives a purpose and meaning. 'Lift High the Cross' was our theme. As we lift the cross, we put ourselves under it and in doing so become receivers of God's love. This love was shared through food drives, offerings and ML Sundays. The Lord has done a lot this year and doors have been opened for even more things next year."

Senior Reflections

"In my four years here at Martin Luther, I have had some of the greatest experiences and opportunities that life has to offer. I have had a fantastic education, though I haven't always used it to its fullest. I have made some of the most wonderful friendships that I will cherish always. I have also had some of the greatest times in my life, and at the nearing of graduation, I know I would do it all over if I could. Though all my experiences were not good, they all helped me grow and learn about myself and others. I will really miss high school, the teachers and friends that have been like my family the last four years. But I know I will leave with one of the best educations and many good friends and memories that will last a lifetime. I leave it with the hope that God will bless all those who remain here and all those to come."

— Jill Braunschweig
'82 Graduate

"When I walked into Martin Luther in 1979 to start my Freshman year, I didn't know exactly what to expect. The first thing I saw was a group of big Seniors in the hall. I walked by like a lowly Freshman would, looking only at the floor. A while after that, I realized that I couldn't always be afraid of what people would think if I did this or that. I figured that if I wanted to make high school as advantageous for me as it could be, I would have to do the things that I enjoyed doing and become involved. As a result of this, I began to meet people that liked what I liked and were involved in the things I was in. It was a good feeling.

Gradually the time started to slip by. Some of the people I had become good friends with were already graduating. I began to realize that eventually I would be finished here and I too would graduate. I didn't want this to happen, though, before I had a chance to do many things I wanted to do.

Well, I knew that that would be impossible to do. However, because I did the things I wanted to do and I did my best to be myself, I enjoyed doing the things I had done and I enjoyed being with the people who were there. I am very thankful for the good people and friends that I have met here at Martin Luther and I pray that God would richly bless them all."

— Don Krubsack
'82 Graduate

"Four years sure does seem like a long time, but compared to your life, it's only a quick look at part of your life. I always was hearing: 'High school is the best part of your life. Take advantage of it while you can.' Funny, it seemed to me like I was either always getting homework or taking tests. But to make us forget the everyday schedule, there were always football and basketball games, dances, Interim, and Choir tour to brighten up our days.

Looking back over my four years here at Martin Luther, I'd like to pass this thought on to you: Enjoy yourself, make friends, because some of your closest friends will end up being lasting relationships throughout your life. I'll miss M.L. and all the friends and teachers that have become so close to me, but I'll always have fond memories. For high school is your stepping stone on to bigger and better things in life."

— Gail Huebner
'82 Graduate

"These past four years seemed to go by so quickly for me and most Seniors . . . There were times that made these years memorable [like] the dances (especially Homecoming and Prom). [and] . . . the ends of exams . . . I just wish I could relive those years and the good times that I had here at Martin Luther . . . "

— Andrew Hafeman
'82 Graduate

"My four years at M.L. have been growing years for me; not only have I grown physically, but also mentally and spiritually. M.L. has ministered to me physically through the variety of sports offered, and mentally through the wide array of courses offered. Most importantly, Martin Luther has ministered to me spiritually through Theology classes, chapel and student devotions. I am thankful I came here."

MOVIES

Although television wasn't that great, many major hits sprang up in the movies. Among them were:
*"E.T."
*Arthur
*Raiders of the Lost Ark
*Taps
*Porky's
*Reds (winner of three Academy Awards)
*On Golden Pond (winner of 3 Academy Awards)
*Chariots of Fire (winner of 4 Academy Awards, including Best Picture)

Fashion and Fad

"The '81-'82 school year was a year for many new fashions and fads. The biggest fad which almost everyone indulged in was a little puzzle invented by the Hungarian engineer, Ernö Rubik. Rubik's cubes could be found in almost every home in the country and came in all sizes and prices, ranging from about $1 to $10. The object of this fascinating puzzle was to get all the same color on every side. It has been calculated that the colored blocks on Rubik's cube can form 43,252,003,274,489,856,000 patterns!! Nice easy puzzle, right?

Before the 81-82 year we saw the appearance of the "preppie," but they were especially noticeable this year. Preppies were people who wore plaid skirts, alligator shirts (Izod brand), docksider shoes (the kind with the shoelaces all around the shoe), knee-high socks and monogrammed sweaters. Shirts and sweaters were worn in combinations of 3 or more and ribbons were seen in girls' hair. During the year, "anti-preppies" also emerged. These people would have nothing to do with preppies and lived by the slogan "Save an alligator, eat a preppie." Of course there were some of us who were in between these two extremes and liked to think of ourselves as normal.

Almost everyone wore athletic shoes and these were usually made by Nike. For some reason, the racing stripe on Nike shoes appealed to all. Also seen this year were designer jeans. It was "Good-bye" to Levi's and "Hello" to such flamboyant names as Calvin Klein, Jordache, Chic, Gloria Vanderbilt, Bonjour, and other names which sold for as high as $50 a pair.

RADIO

1981-1982 saw many good hits on the radio as well as on the TV screen and in the movie theater. Some of the most popular hits, in both pop and rock, were:
*I Love Rock And Roll - Joan Jet and the Black Hearts
*Take-off - Great White North
*Waiting for a Girl Like You - Foreigner
*For Your Eyes Only - Sheena Easton
*Working for the Weekend - Loverboy
*America - Neil Diamond
*Endless Love - Diana Ross, Lionel Ritchie

JUNIORS

The Junior year is scholastically challenging. Many students are pressured with trying to keep grade point averages up so they can make the National Honor Society. A lot of Junior classes are a real triumph. Like American Literature and American History-all those worksheets! But the most dreaded class of all is Fitness for Life! Oh no! The Sophomore year is a special year for students. You are no longer thought of as the "babies of the school." By the Sophomore year you are pretty well adjusted to the everyday happenings at school and you feel more at ease. You seem to blend in a little better with the rest of the school and can relax and not worry about everyone watching you like they did during your Freshman year. The Sophomore year is your first chance to pick on the Freshmen.

The Freshmen experience many changes in their lives when they come to M.L. The days are longer and the homework is harder. There isn't the time to go places with family or friends. Meeting new people and making new friends is also a big part of going to high school. It's like an adventure, full of experiences and opportunities. With these new opportunities come new responsibilities and growth in maturity and independence. High school is a whole new world for Freshmen, a world in which they will learn to feel at home during the next four years.

Faculty Reflections

"Reflecting on just one school year is very difficult. After all, that's only one-tenth of the time I've been at Martin Luther; it's only about one-fiftieth of the time I've walking around on the earth. It's probably easier for students-one year is one-forth of their high school career.

The wiggly little 9th graders of 1978 are Seniors now and graduating. They've changed from kids into young men and women with hopes, dreams, aspirations, and plans. That's what makes reaching high school fun. Teenagers are neat people. They're full of life and enthusiasm. They are looking forward to doing great things with their lives. I like to think I help a little in getting them ready."

— Curt Teetzen
Science Dept.

"One of my great joys as a teacher has been having a class for the first time as a Sophomore and then again as a Senior. Often confident-some would say today-the Sophomore is resilient and spontaneous. The world is viewed in blacks and whites. The Senior, having grown more sophisticated intellectually and socially, usually maintains at least an appearance of intellectual detachment. The world is seen to have many gray aspects. I love the Sophomores and cherish the Seniors."

— J. Reigles
English Dept.

"I am grateful that the Lord led me to teach at Martin Luther. Each day always brings a special joy to me. Physical Education is a unique area. It allows students to relax, release frustrations, learn to exercise their bodies, and develope close friendships. What I enjoy most about teaching is the chance to talk with and communicate with students. Each one is special and unique, and I'm glad that I can be a part of their education."

— Marianne Menzel
Physical Ed. Dept.

"The pursuit of a lifetime vocation was thought about even as a young person in grade school. This continued for me through my very enjoyable high school years.

With a rural background and six years of no formal education during World War II, I was interested and anxious to continue my formal training at Valparaiso University. During those years, my interest in business also included a desire to enter Business Education.

Through these many years in Business Education, it has always been a pleasure to meet and teach the many sharp, witty, and capable students in our Christian environment. In addition, I was able to continue my personal interest in business ventures and plan to do more after my teaching years are completed."

— Norman Hafeman
Business Dept.

Not what we have
But what we use-

Not what we see
But what we choose-

These are the things
That mar or bless:

The sum of
Human Happiness.
— Robyn Buchwald

When I think back to how things used to be,
The simplicity of being a child,
The excitement of taking that first step,
The love and attention I received,
I wish I could go back.

When I think ahead to the future,
The feeling of being "Grown-up,"
The feeling of being on my own,
The love from that one special person,
I wish I could be there now.

But when I look at the present,
The way I am right now,
The fun of being the person I am,
The love of all my friends,
I wish this moment would last forever.
— Sue Holmquist

I am an unfinished puzzle
The different happenings in my life are just small pieces of this work.
The puzzle has been started.
It shows many colors and objects:
Magestic mountains, quiet valleys, different seasons, and a change in color, which represents a change in mood, in time.

Neither you nor I know when this puzzle will be finished. Is there a box somewhere, filled with a lot of left-over pieces waiting to be added; or, are there just a few pieces, close at hand, which are needed to bring this puzzle, me, to a completion?

Nobody knows .....
— Lisa Plopper

Graduation

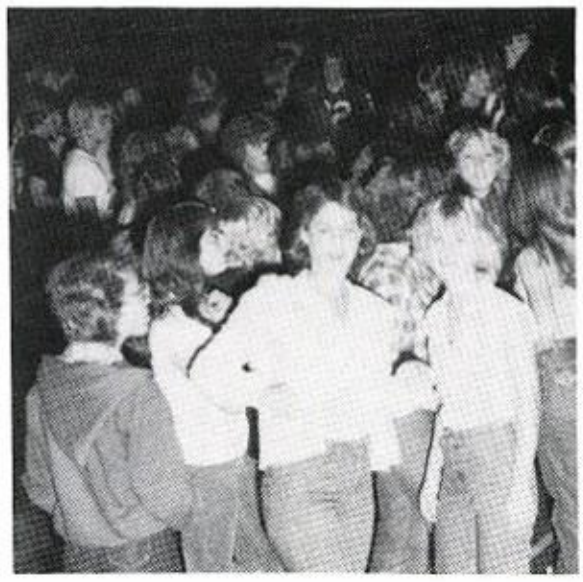
Today we start a new life
And say our last goodbyes
To all the friends we've grown to love
With whom we've laughed and cried.
Remembering the fun and laughter,
The problems and the fears,
And watching all our memories grow
Throughout our high school years.
The memories of the dances
And the new friends that we've met
Vacations, teachers, talking and
Exams we'd best forget.
Yes, high school days are precious
Where all your dreams come true;
It is not the end, but the beginning
Of a life to start anew.
— Bonnie Fuchs

A Look Back

All the memories of past summer holidays
at Connors Lake
started flooding back to me:
Passing the green gate, while gliding down the road,
Full of moss, grass, weeds, wild flowers,
and jumping toads.
The freshness you feel at the beginning of a new day,
Lying in bed with the sun already high in the sky,
shining in your eyes.
The sound of the slamming screen door, as it echoes through the skies.
Morning walks on the damp, dew-covered earth — a bed
blankered with pine tree needles.
Mid-day swimming on the clear, cool lake,
Filled with minnows and crayfish,
and covered with water lillies and bullrushes.
In the cabin, love aglow.
Stories of old.
Welcoming the peacefulness of night,
Always anticipating tomorrow,
And another day on Connors Lake.
— Ed Hanke

FRESHMEN MIX AND MINGLE

"Shake it up!"



Good friends made the night even better.

Many people turned up for the dance.

CHICKEN BBQ: A FEAST FOR ALL

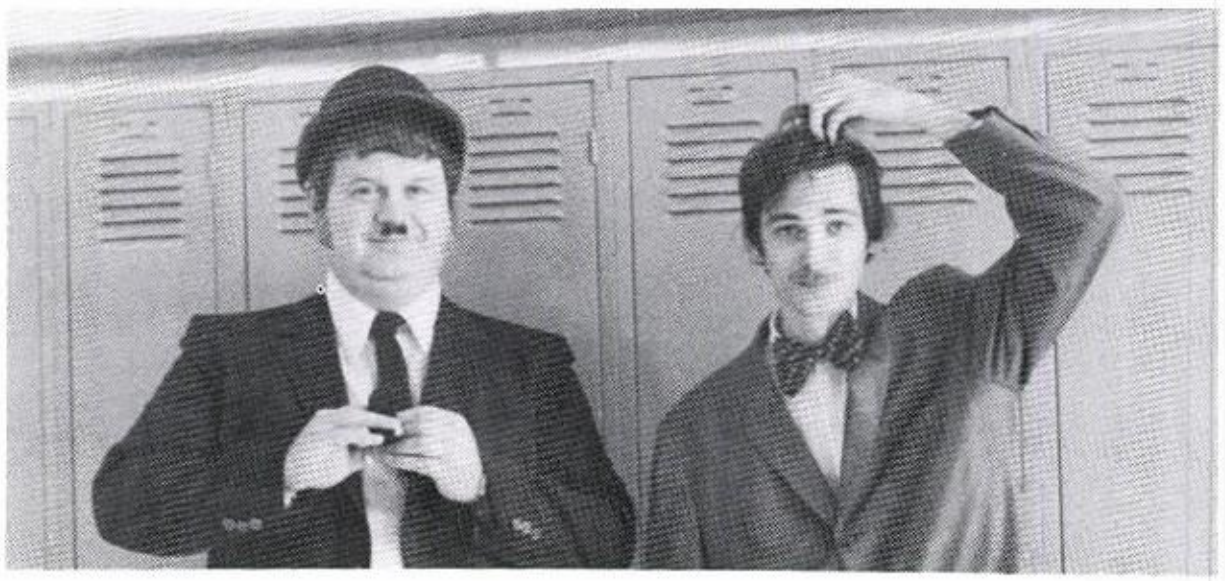
SPARTANS SHOW THEIR SPIRIT

"Peek-a-boo . . . . . "

A foreign exchange student?

The entire student body and faculty at Martin Luther got to show off their school spirit during Homecoming spirit week. This year, on Monday everyone came to school wearing their craziest pair(s) of socks. Tuesday was costume day. The students at Martin Luther looked like David Bowie, Devo, and the Plasmatics. Wednesday was grub day; EVERYONE wore jeans. Thursday was country western day, and Friday was color day. The halls of Martin Luther were filled with green, gold, and white.



"This is another fine mess you've gotten us into . . . !"

The group blended well, worked well together, and could be really open with each other. We also had a good time with each other at our annual cookout at Mr. Deffner's. "This year, the Symphonic Band went to Des Plaines, Illinois; Decatur, Indiana; and Cincinnati, Ohio. We visited the Fort Wayne Seminary, Eden Park, the Cathedral Basilica, and Union Terminal. Even though the bus rides were long, they were rarely boring. Many unusual things occured during that time. We learned the true meaning of playing Hearts and Uno while laughing our heads off, worked the impossible crossword puzzles, played charades, and squawked. And who could forget Hoppy and Marv (Why was the bus slippery?)? Many thanks to Mr. and Mrs. Krubsack, Ms. Pralle, and Mr. Wright for sharing their Christian witness not only to us, but to many people in the different places we toured." — Lisa Maike

CHOIR TOUR 1982:

"Jesus, guard and guide thy members. Fill thy brethren with thy grace."

"On March 24, 1982, the Martin Luther Concert Choir boarded the buses for a 4-day tour to Palatine and Peoria, Illinois, and St. Louis, Missouri. The members of the choir, accompanied by Mr. and Mrs. Deffner and Mr. and Mrs. Koepke, were eager to get away from the pressures of school, but also to sing to the glory of God. Choir tour turned out to be a wonderful experience — an opportunity to make new friends, strengthen old friendships, and praise God with glorious music!"

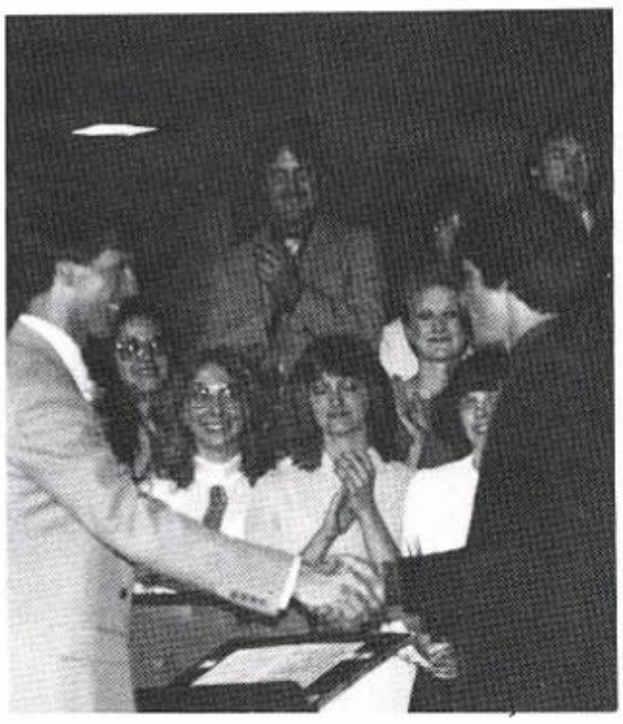
"Oh, no John . . . "



Don thanks Mr. Deffner for all his hard work.

"This year's annual Spring Concert was a meaningful experience for all those involved. The evening's events began with the jumping sounds of the 40's, as sung by the Troubadors. Next on the program was the Barbershop Quartet whose harmonizing chords were throughly enjoyed by all. The quartet was followed by the Concert Choir who sang praises to the Lord with a collection of folk songs and a powerful selection from "Peaceable Kingdom." Afterwards, Don Krubsack expressed to Mr. Deffner the Choir's appreciation of his hard work by leading the choir in a song written by Don for Mr. Deffner. The evening's events continued with the performance of the Varsity Band. Next up was the Jazz Lab who, led by Ms. Pralle, performed the jazzy "Humanesque." Last in the Concert was the Symphonic Band whose program was based on marches. The exciting performance of "Marche Slave" by the Band proved to be an appropriate ending to the concert. Throughout the evening, the various directors expressed their feelings to the many Seniors whose musical talents will be missed as they graduate. Overall, the concert was a great success and an opportunity to praise God with the talents he has given us." — Mike Esplund

"In the beginning of each school year, a group of students get together during the 5th period in room 127. There they join their voices for the first time in 3 months. With some new voices and some returning from the previous year, they work under the direction of Mr. Deffner to blend, mesh, and mold the Concert Choir. We like to think of ourselves as more than just a singing group. Through the use of our voices, we are a tool of God. We enjoy witnessing Christ to others and bringing them peace and joy that only our Lord can give. We are blessed with the opportunity of visiting churches throughout the year and going on a choir tour which allows us to share Christ with different parts of the Mid-West. We pray that God will continue to bless our group and keep His Spirit burning within us. We also pray that with His help we may continue to be a success." Don Krubsack

The 4th Hour competition brought in a lot of money.

"It's obvious that it takes more than 3-R forms, copy sheets, photographs, and croppers to make a yearbook. It takes dedicated editors and their staffs who are willing to give up time (Sat. mornings at 9:00, leaving games early and typing 'til 11:00 to make a deadline, and vacations) to put together a book for the entire student body. This is done even if there is criticism that comes when the book isn't "perfect" and someone's name is mis-spelled or left out. Yearbook is hard work.

Even though this is true, I have enjoyed my 4 years on the staff. I have developed some very close and special friendships with my fellow staff members and, in spite of the times when I've been in bad moods, have enjoyed the times we've spent together.

I'd like to take this time to personally thank my staff for all their hard work and help with this book. They have been a pleasure to work with. I wish them much luck with their next yearbook, and hope they have as much fun putting it together as I have had with this one."

Though many were scared before giving, all had a feeling of satisfaction after giving, knowing that their special gift would be beneficial to someone in need and could possibly save a life."

INTERIM '82 –

Interim '82 was held on March 11 and 12. This was an excellent time of year since most, if not all, of the students and faculty members were getting tired of their every day schedules. Everyone wanted to get away from it all . . . Interim was the answer. Courses included such things as karate classes, elementary teaching, hiking, horseback riding, filming, fine arts, a trip to Bethesda, cooking, bicycling, and others. Interim was enjoyed by all. It served as a "vacation" from our usual routines, gave us a chance to learn new things, and make/strengthen friendships. We hope that future Interims will be as successful as those in the past.

Despite the rain, many couples showed up for an evening of fun. Whether they went as "a couple" or just as friends, all had a good time dancing and talking with oneanother. Around 9:00, Diana Brunner was named the "Sweetheart of the Dance." She and her escort (Todd Johnson) enjoyed a special dance together, and then were joined by the rest of the couples for the finishing of the song. "LIFT HIGH THE CROSS . . ."

Dear Graduate:

Our theme for this year has been "Lift High the Cross", a theme most appropriate for graduating Seniors.

At this time in your young lives, your sights are set on the future. You have many questions about the days and years ahead causing some consternation and bewilderment. Amidst these mixed feelings is the constant struggle to "Lift High the Cross" in all of your planning, searching, and decision-making.

Our human nature is to view the future with many materialistic and selfish goals. Money, fame, and status are but a few of the tempting targets. I pray that each one of you will search far beyond these worldly and self-directed motives. "Lifting High the Cross" implies much nobler goals of glorifying God and serving mankind.

I pray that your decisions for the future may be God-directed. When He becomes a significant part of your life, you can have the confidence that choices are in His hands. What a great feeling that is! Our loving God has promised to hear, care, and help us no matter what the circumstances. This He does for the sake of Jesus Christ, His Son, who gave Himself for us and through whom we have peace, hope, and new life.

May God be with each of you, guide and direct your lives, and continue to be your source of wisdom and strength as you meet new challenges ahead.

Yours in Christ,

Roman C. Vallesky

Coaches Reflections

"This past year's cross country team completed a second consecutive season with an outstanding record in conference and dual competition. I feel that the team should have faired better in invitationals, but with the sound distance running talent that exists, that should be a primary objective next year. I feel that runners like Randy LaBodda, Dave LeVan, Mark Mohr, Steve Abel, and Tom Campbell have maintained a respectability for Martin Luther cross country both in the Midwest Prep Conference and here at school."

— Phil Herzog
Cross Country Coach

"Volleyball-a fast moving exciting game to play and watch. This is especially true when individuls such as this year's varsity team members get together to combine time, talents, and team work to put together a season filled with challenges, highs, and yes, even lows. They made the season worth remembering. The leadership of the Seniors-Lynn Bielinski, Robin DuKatz, and captains Linda Lamm and Mary Schneider-was excellent! The thought of 8 returning players who all lettered in their Sophomore or Junior years brings an air of exciting anticipation to next year."

— Charlene Moore
Varsity Volleyball Coach

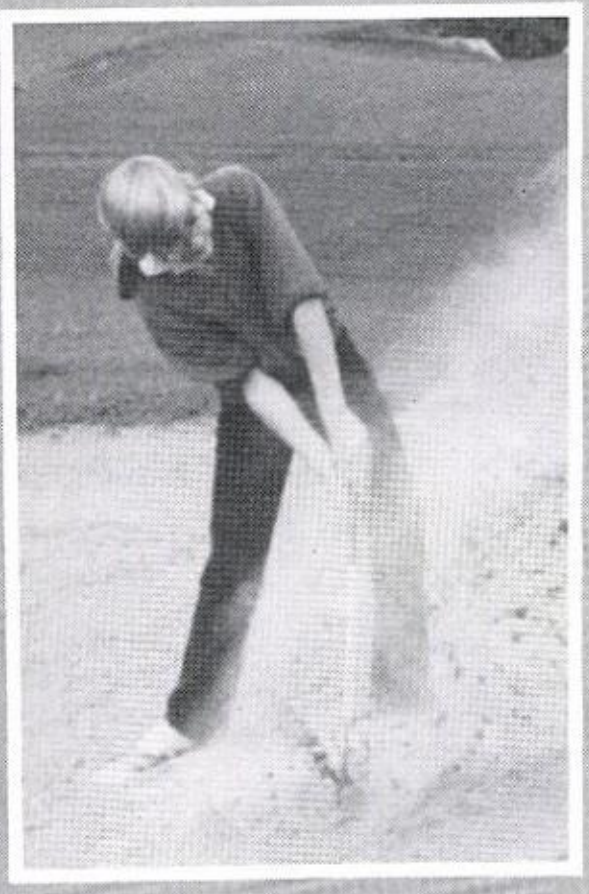
"Wrestling is not for everyone. It takes a special type of person to become a wrestler. Desire, motivation, and skill are all attributes needed for any sport. Wrestling, however, is in a class all by itself. It not only requires skills, desire, and motivation, but also a sacrifice of self. To face an opponent, knowing you can't hide behind others, takes courage. Being mature enough to handle victory is a requirement of every wrestler. Wrestling is such a demanding sport, that boys who can't take the demands cut themselves from the team rather than being cut by the coach. Anyone who makes it through a wrestling season without quitting is a winner in my book! Wrestling is a "one of a kind" sport and it takes a "one of a kind" athlete."

— Ted Richter
Wrestling Coach

"Coaching is teaching, relating, organizing, and loving. It can be a great source of happiness and frustrations. Learning to accept both is a great challenge, and the anticipation of success in meeting the challenge makes coaching exciting!

When the season is over and you can look back over all the good and bad times with a confident feeling of accomplishment, it means you had a successful season. As a coach, that's what I have and I pray and believe that each team member can feel the same. A coach learns every year how precious our athletes are and for that I thank the Lord."

— Al Koepke
Varsity Basketball Coach



Another one bites the dust . . .

"This year the Golf season was really fun. Our coach was Mr. Koepke and it was a year for building. The majority of our team were underclassmen who will be returning next year with a little more experience. Our win-loss record wasn't too great this year, but hopefully it will encourage next year's team to play better."

"This year's Cross Country season was a very successful one. With a lot of hard work and determination, the team took the Midwest Prep Conference Championship for the second year in a row. The team also finished a close fifth in state. With the loss of only two Varsity runners, Don Krubsack and Al Meitler, the team shows good potential in the years to come."

"The 1981 football season will go down as a transition year for the Spartans as only 6 lettermen returned. Even though we did not have a winning season, I was proud to be a part of the team and have that Spartan pride. One of the highlights of the season was being the only team to score against St. Mary's. Next year, with the coaches and players being more experienced, we should be a real threat for the Midwest Prep title."

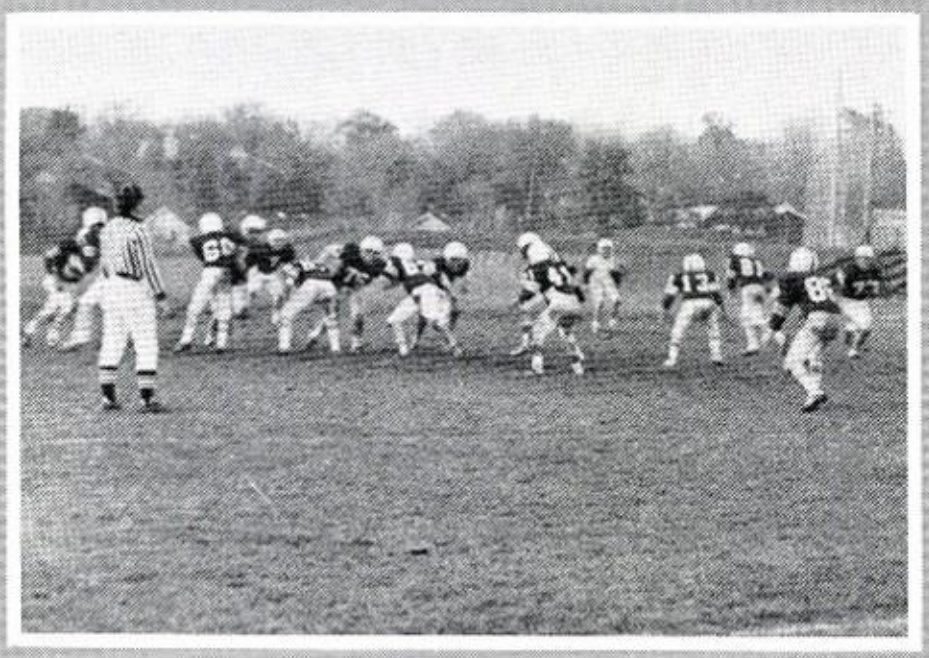
Freshmen show great promise



Knock 'em dead Freshmen!

"The Freshmen Football team, after losing our first game, ran off a five game winning streak before tying the last game to finish with a 5-11 record.

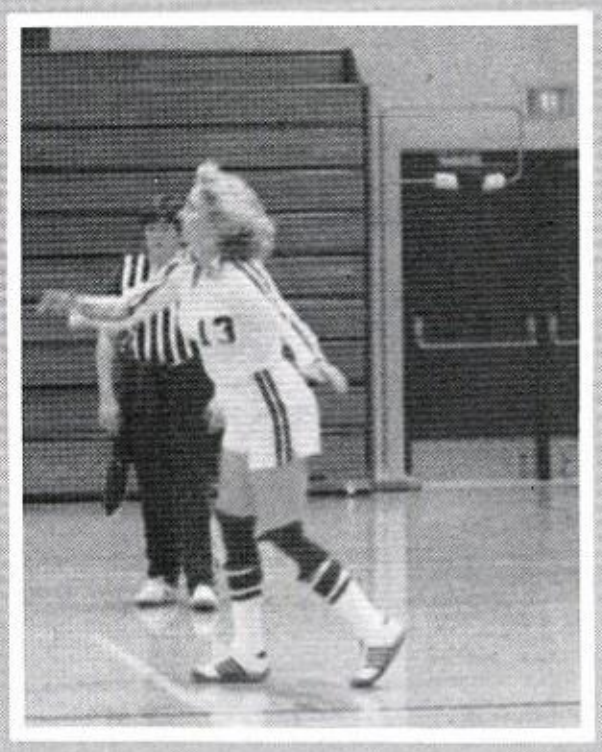
Defensively it was a team effort as the Spartans never gave up more than 8 points in a game

It was the first year in organized football for most of the team, and it wasn't until the middle of the season that the team really started to work as a unit. Much of the credit belongs to coaches Mangels and Fasholz."

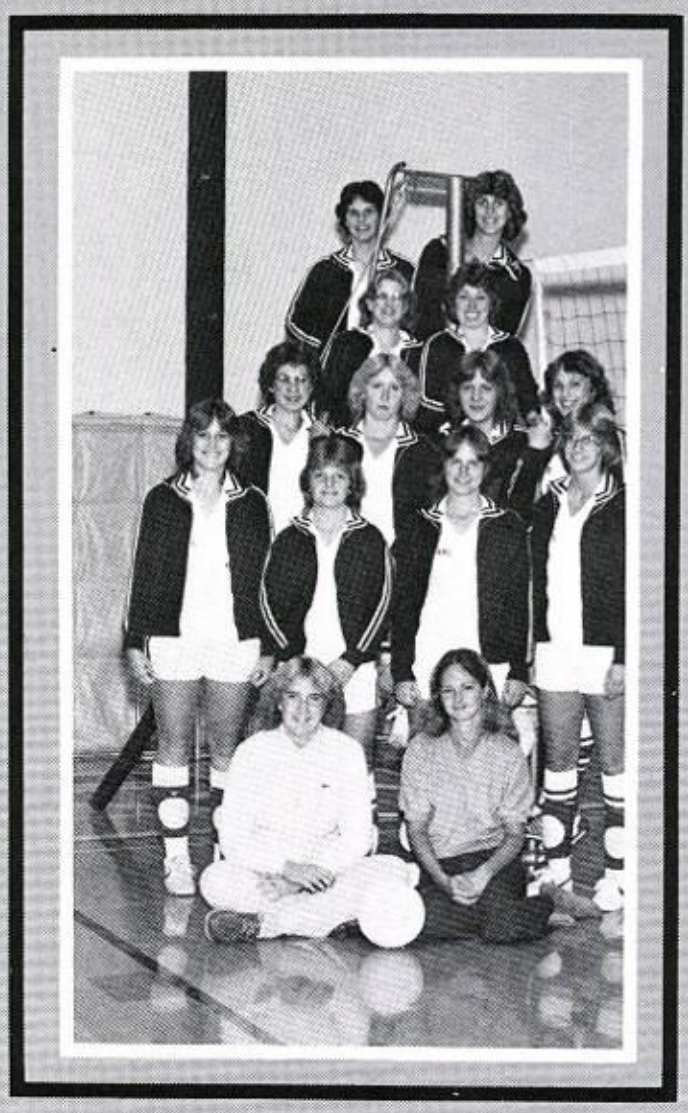
Eric Wegener

"Even though there were few victories on our side, the friendships that were made and the excitement of the games kept us all in good spirits. I feel we had practices which strengthened our skills, and games which showed a team working together. I look forward to seeing next year's team in play."

Lynn Bielinski



Lynn serves up a storm



The Varsity team was: (Back row) Debbie Sellers, Robin DuKatz, Deanne Schwaiger, Mary Schneider. (Middle) Sue Sowlies, Jenny Felts, Linda Lamm, Lynn Bielinski, Debbie Nelson, Tessie Howe, Kim Larsen, Karen Mohr. (Fronr row) Lisa Zeman, Coach Moore.

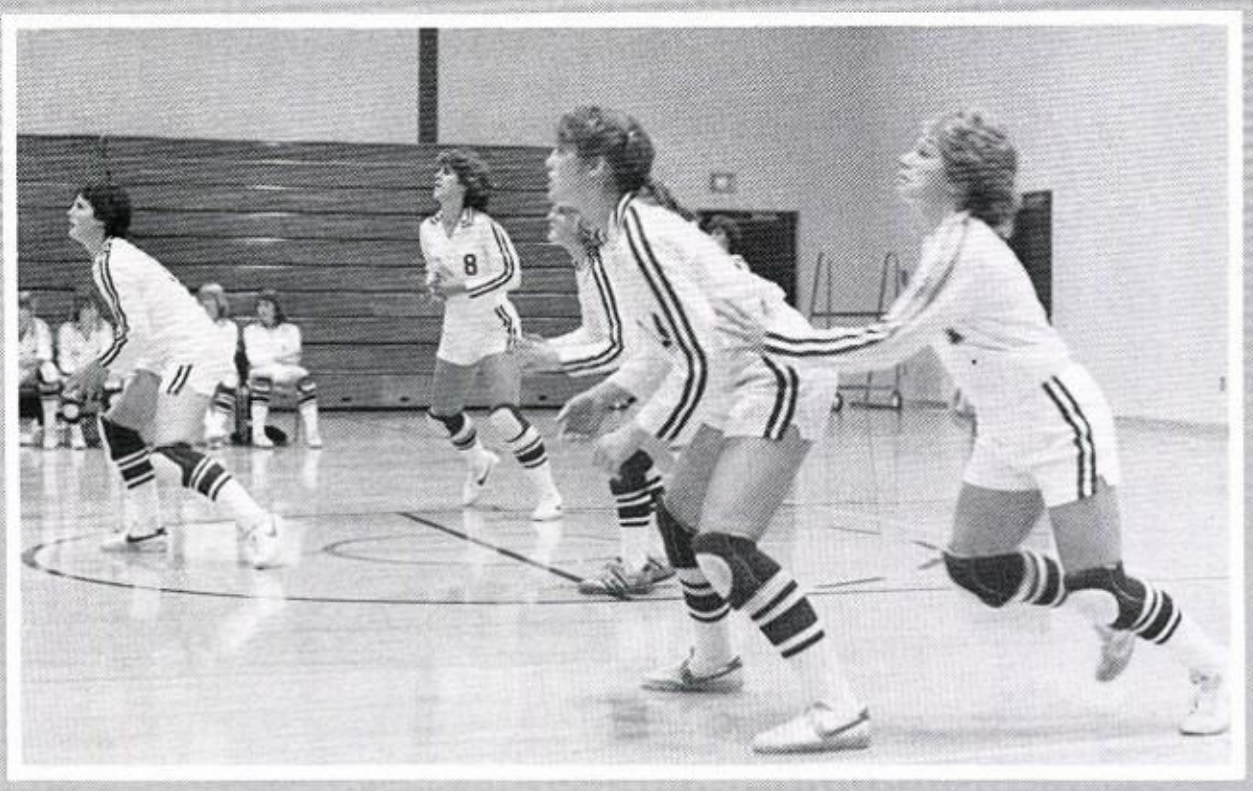
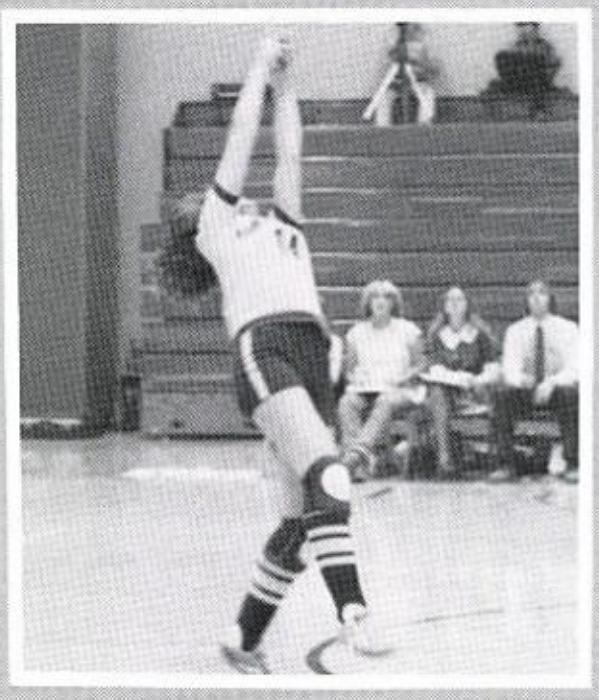
VOLLEYBALL SERVES UP ANOTHER SEASON



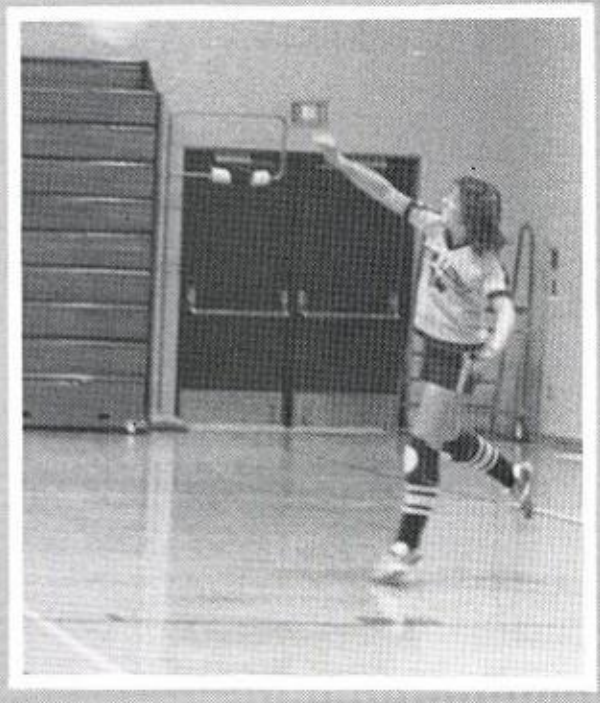
M.L. players get ready for the play.

Kim was pleased with that play.

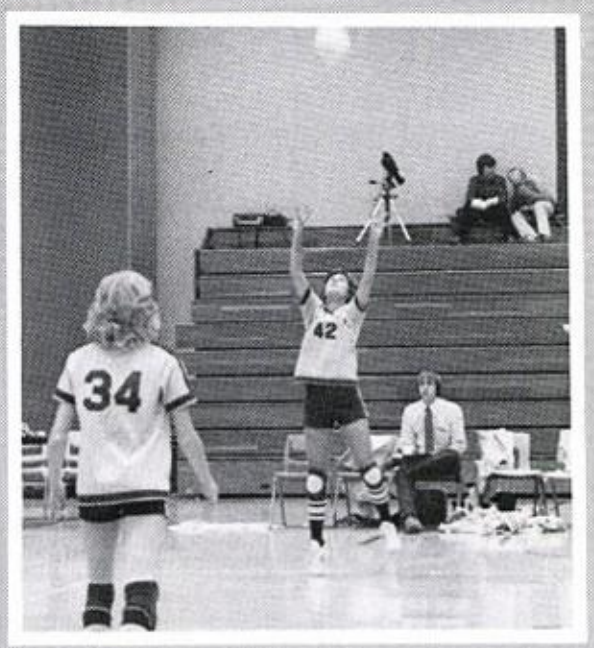
J.V. players await the ball.



Bending over backwards to win.

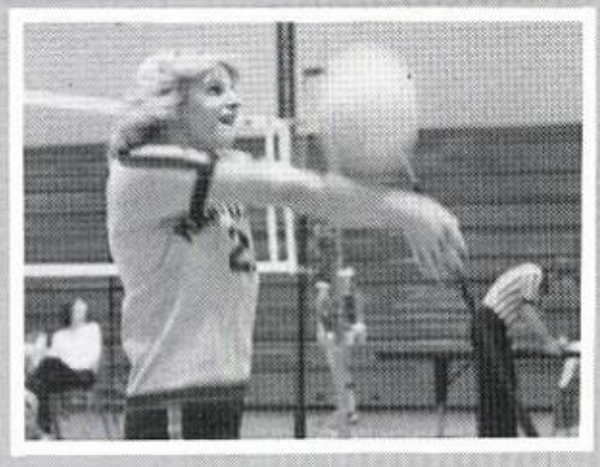


Heidi: a powerful server.



"I've got it!"

Spartans serve the ball.

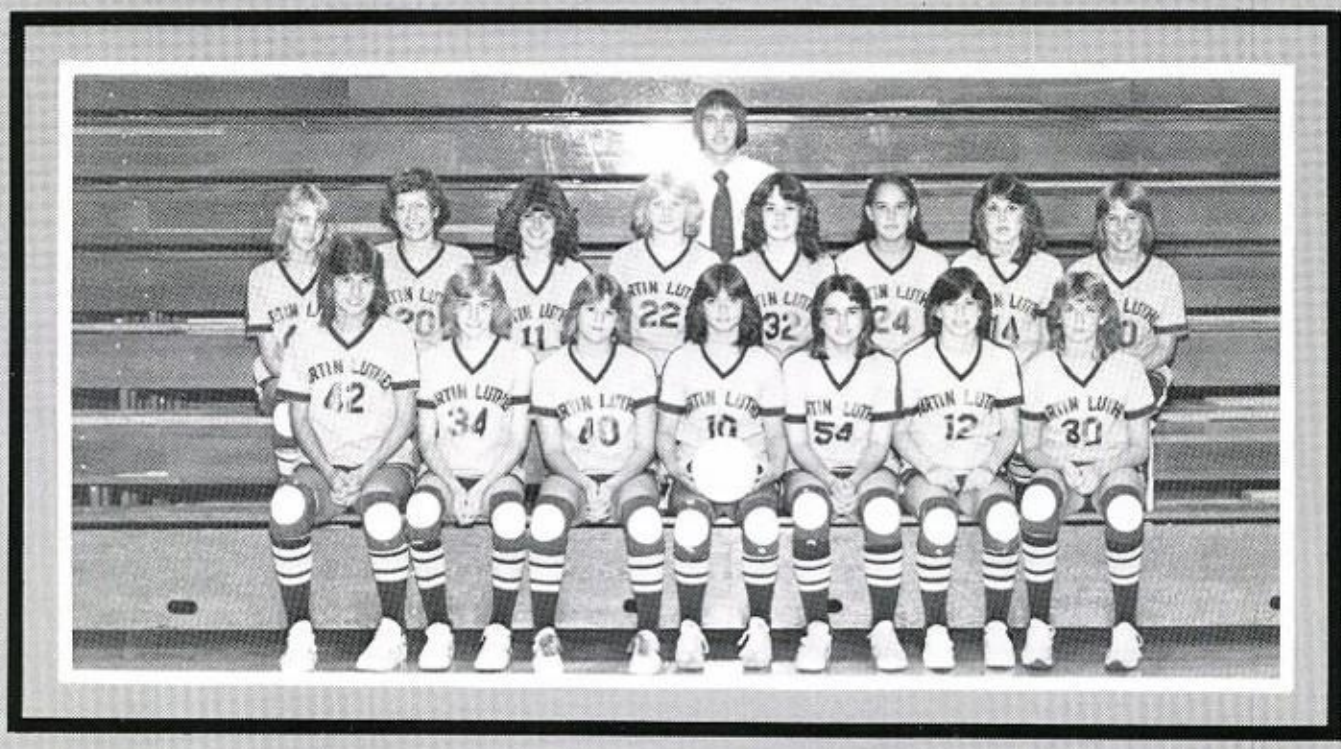


"This is crazy!"

J.V. TEAM GIVES IT ALL THEY'VE GOT

"The J.V. Volleyball team's season wasn't as successful as we all had hoped it would be. A new offensive and defensive "6-2 switch" system was introduced and the team applied it very well out on the court. Facing a long string of tough conference teams at the end of the season, everyone from the bench to the starting lineup felt the pressure building up. Led by MVP LuAnne Miracle and MIP Lynn Luedke, the team's overall record was 6-8 with a conference record of 3-7. With only 6 sophomores leaving, next year's team should have their outlooks for a winning season."

Lisa Maike



The J.V. Team was: (Back row) Kristin Schroeder, Lisa Maike, Kris Kraft, LuAnne Miracle, Coach Wright, Stacey Hansen, Kim Cesar, Heidi Dethloff, Kay Shumway. (Front row) Lynn Luedke, Lex Albrecht, Karen Pergande, Lora Schlaak, Cindy Tomaszewski, Julie Consigny, and Denise Medrow.

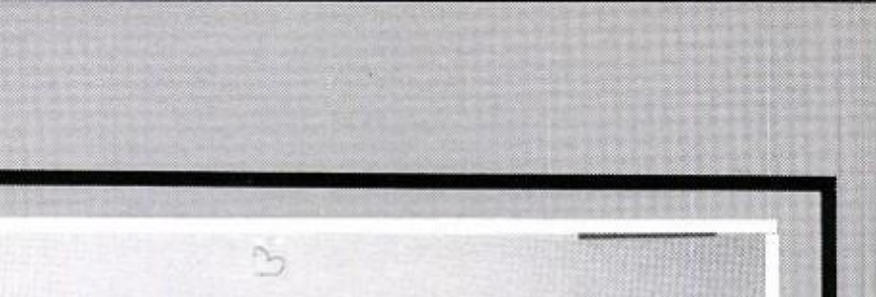
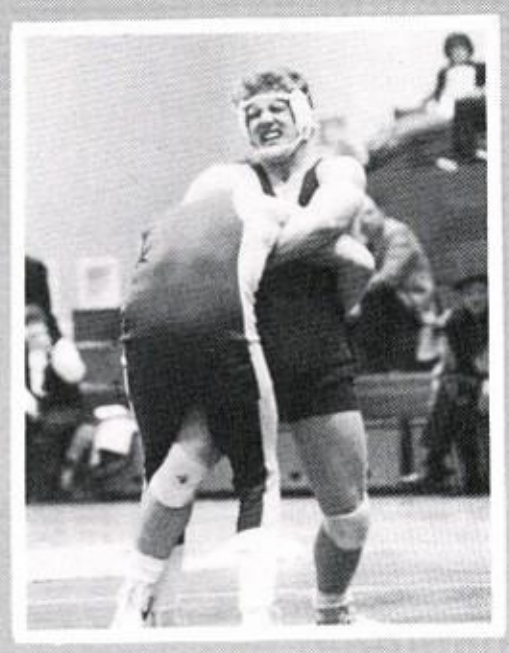
WRESTLERS GET PHYSICAL

This year the M.L. wrestling team took 1st in conference. They finished the over all season with a 5-4 record, with all hopes to go to regionals and then going to state.

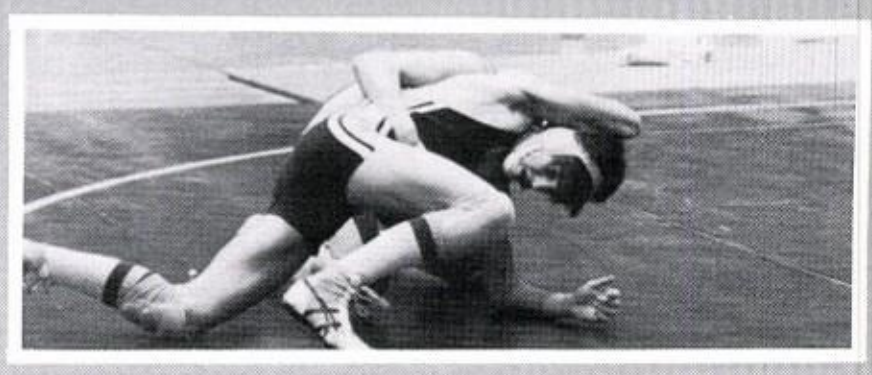


The guys watch us take St. Joes to the cleaners.

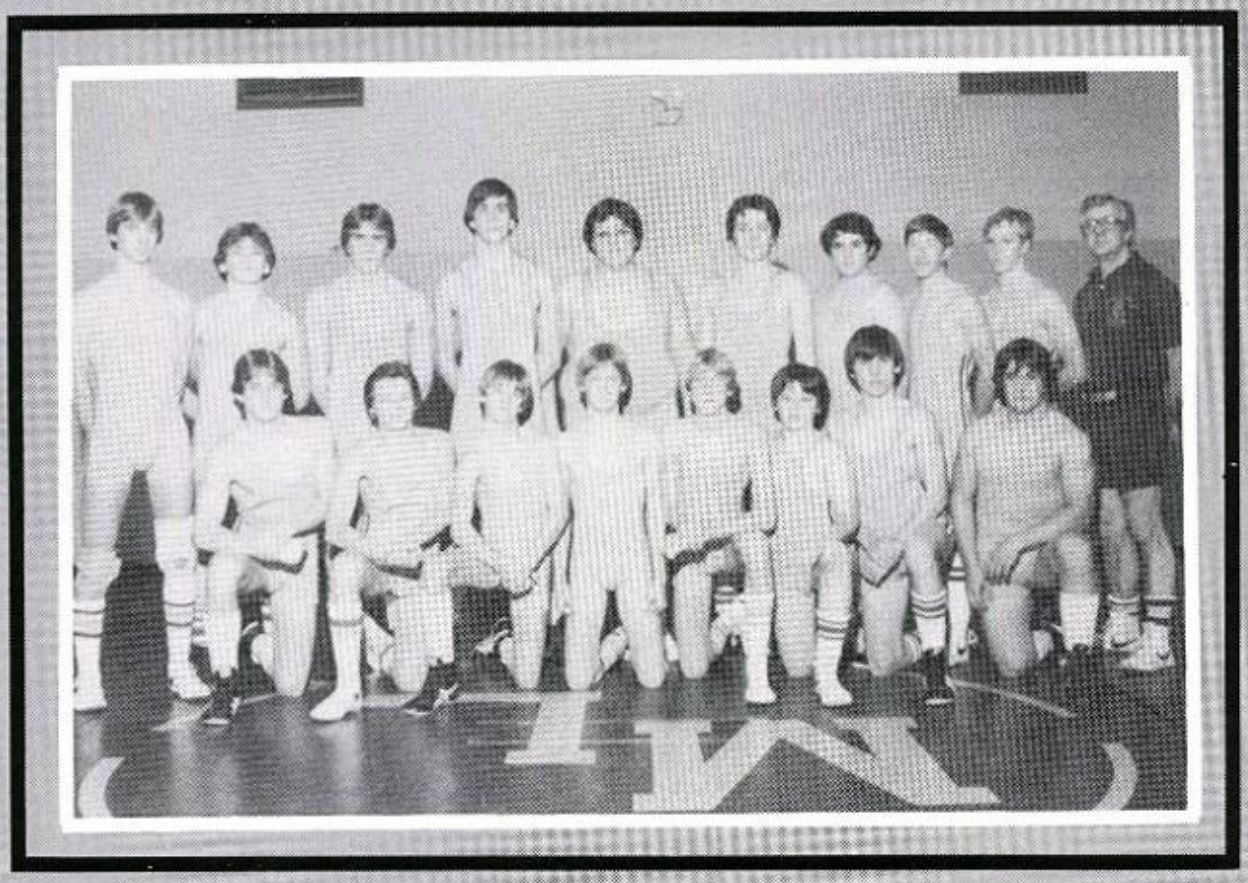


Todd tries to get free.

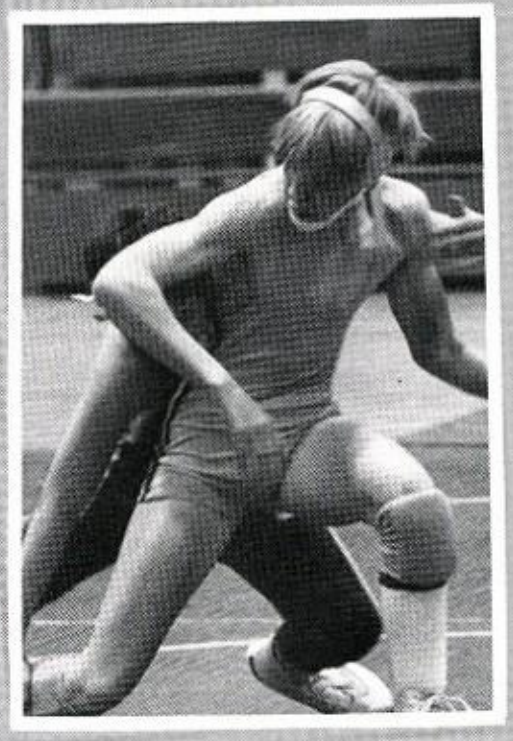
Dake waits for the whistle.



Dave works for a pin.



The J.V. Wrestling team was: (Back row) Paul Meitler, Tom Chojnacki, Scott Derhloff, Peter Meyer, John Bucholz, Bob Kemp, Kory Kais, Clark Kosinski, Eric Wegener, Coach Richter. (Front row) Roy Lemmer, Skeeter Dulde, Rory Lemmer, Dave Heinz, Kip Troeger, Jon Hoelke, Tony Strzelecki, Brian Peters.



"The Escape"

MUSCLES ON THE MAT

"The 1981-82 season proved to be a good one for the j.v. wrestling team. Under the direction of Coach Richter, the team developed into a group of talented wrestlers. Many new Freshmen helped to make this season a success. However, the real backbone of the team were the returning Sophomores. Many of the team members show potential to produce an even better team next year!"

Jon Hoelke

A bad day in World Lit.???

A Spartan in control!

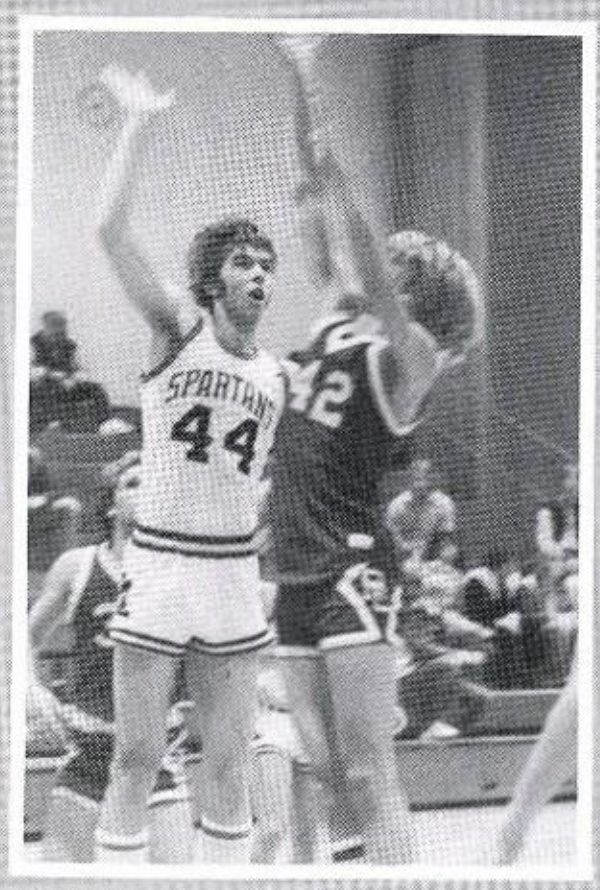
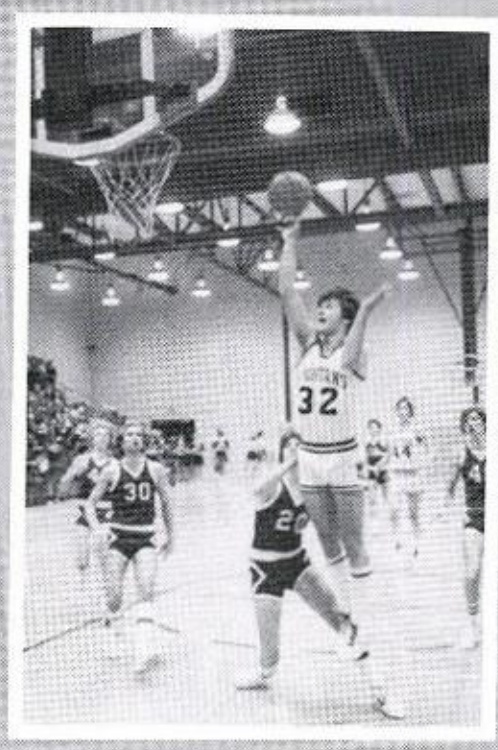
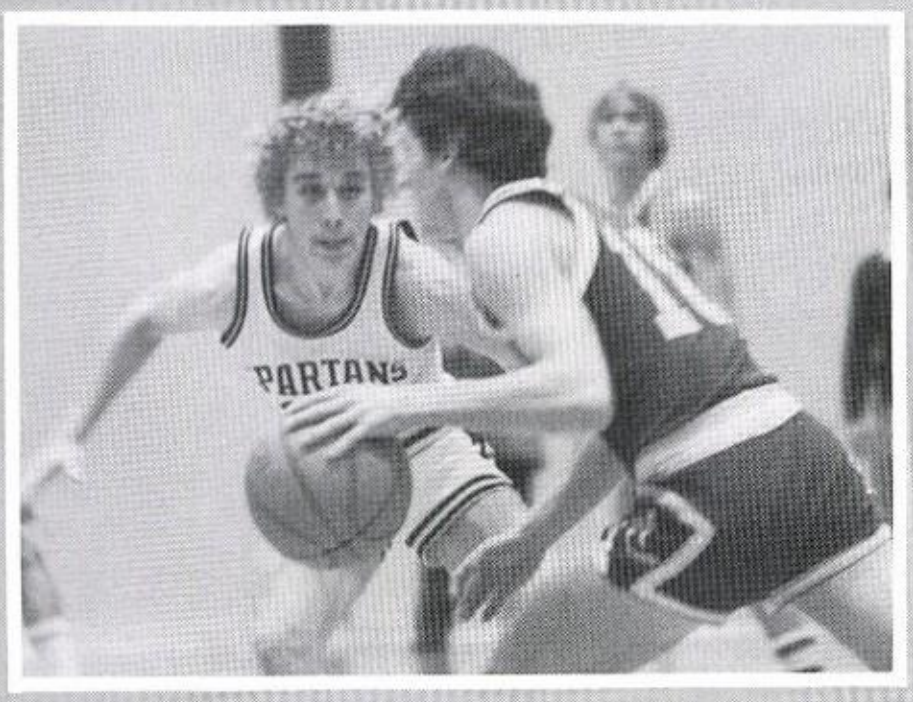
Todd Johnson goes for two!



"Gimme Five!"



J-U-M-P, Jump Doug jump!



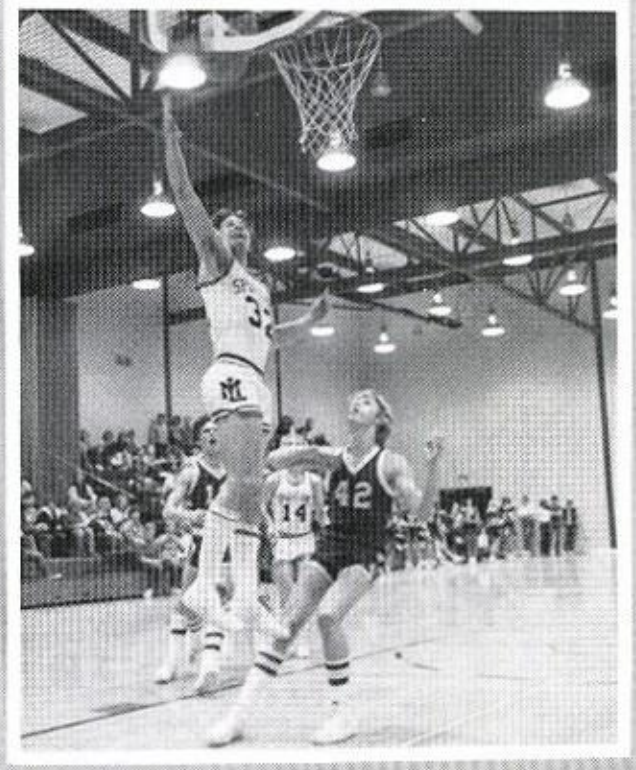
Defense, Defense-Get that ball!

"The 1981-82 varsity basketball team was one that played with a lot of determination and unity. It seemed as though from the first day of tryouts right up to the final game, things were taken seriously and all on the team were working toward one goal-VICTORY. The season had its ups and downs, but I believe that the team held together and bounced back quickly from any setbacks. A special thanks should go to our fans who supported the team wholeheartedly. They made things enjoyable. Looking to next year, the returning 8 players should make up a strong and experienced team. They should be a top contender for the conference title. The 4 Seniors: Todd Johnson, Andy Hafeman, Ron Kramer, and myself, wish Coach Koepke and the rest of the Spartans continued success in the years to come."

-Bob Hansen

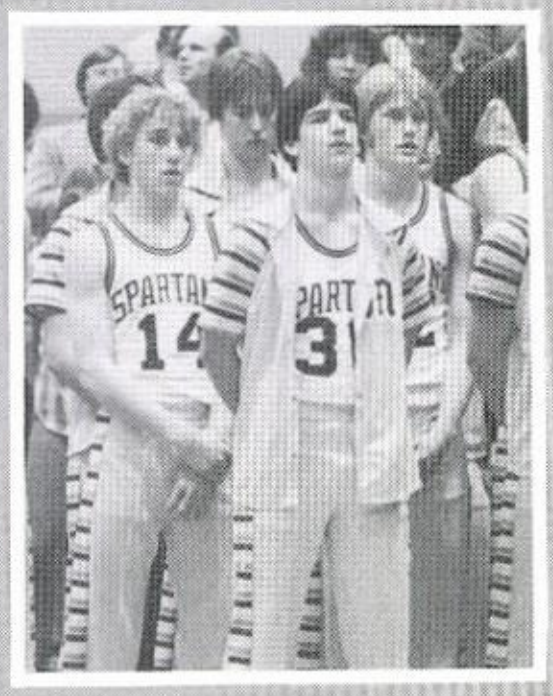
FIGHT! FIGHT! FIGHT!

Coach Koepke and the members of the team watch the game from the bench.



Doug Kucharski goes for the layup.

SCORE! SCORE! SCORE!



Members of the team salute the flag.

When Coach Wright talks, everyone listens!

The j.v. basketball team, led by Coach Wright, had a fine season this year. The team had many victories thanks to the dedication of several talented players. Over the year, the team progressed into a team that shows much promise for further development.

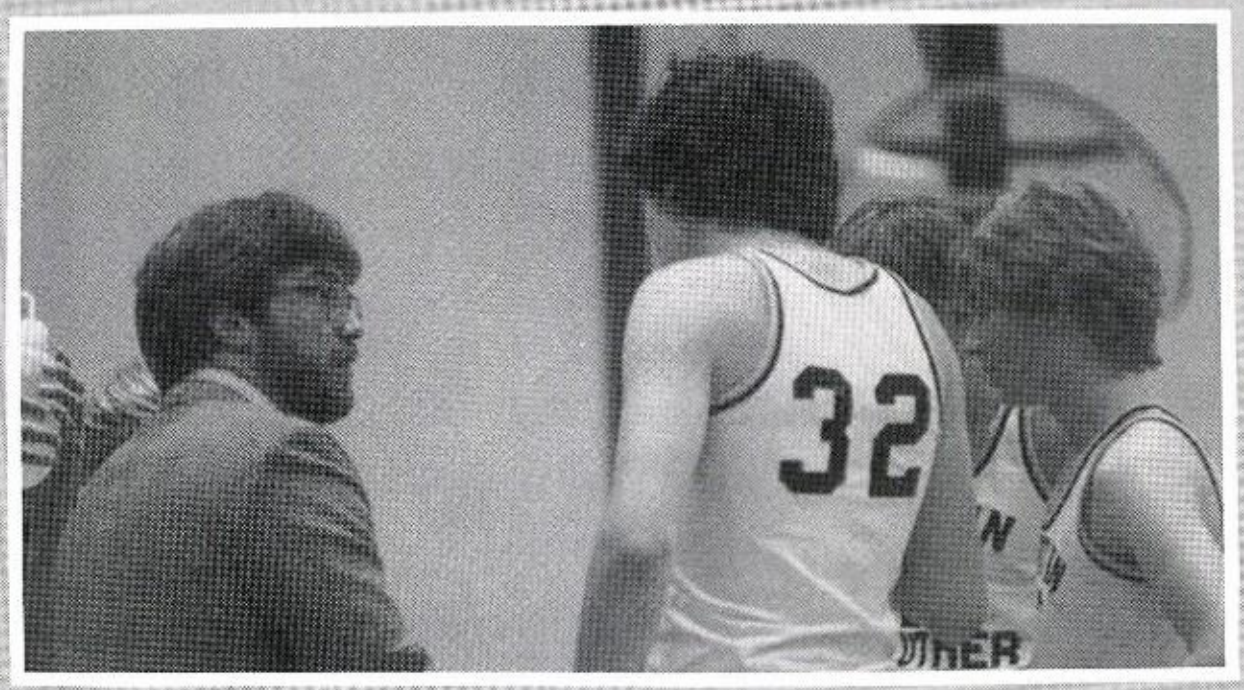
Don Voss in action . . .

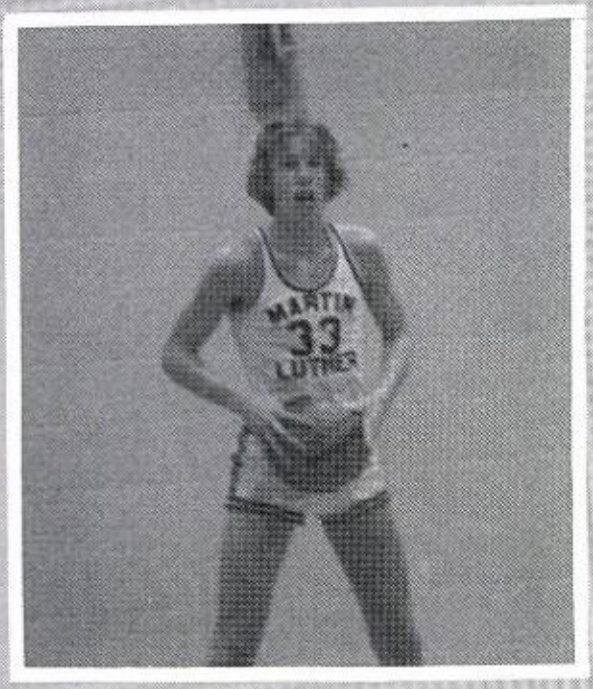
FRESHMEN GET TOUGH!

"Our Freshmen baskerball season was a success. The team's record was 12-6. The six games we lost were only lost by a few points. The competition was tough, bur we played as a team. We never gave up and, in the majority of the games, we ended up victors. We thank all of the people who came to our games and gave us their support."

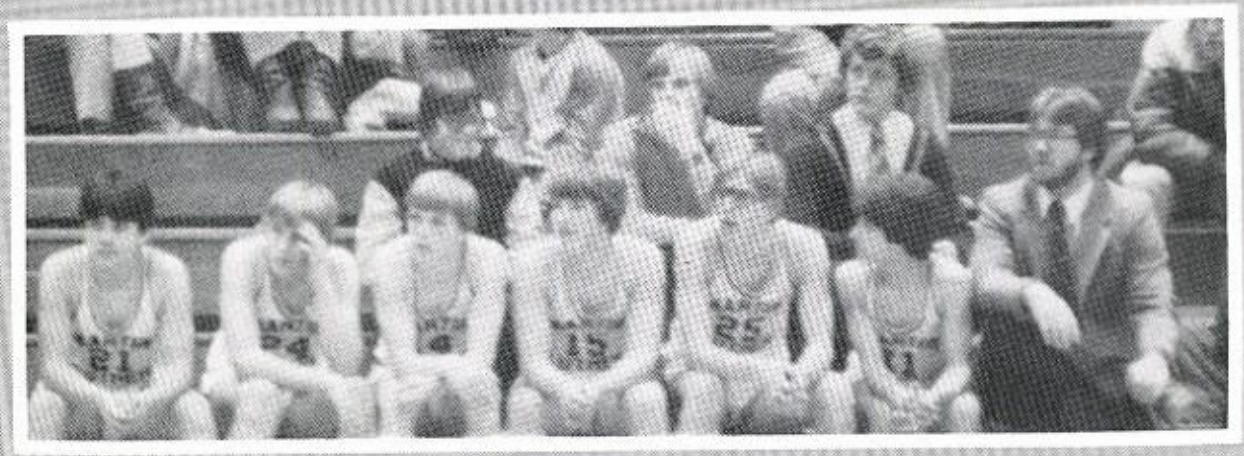
— Dave Quartuccio
Mike Fassbender



Coach plans the strategy . . .



"Anybody open?"



The team warches the game with excitement.

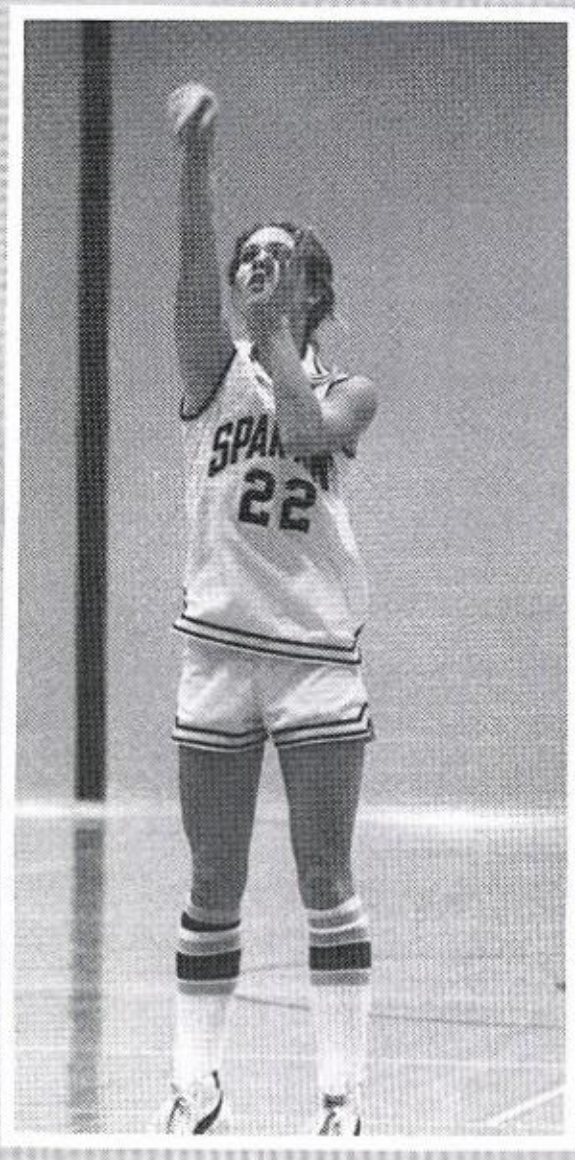
The Varsity Girls' Basketball team was: (Back row) Suzy Sowlles, Tracey Drabka, Suzy Holmquist, Mary Schneider, Debbie Sellers, Anna Markos, Lori Lutz, Coach Kinschi. (Front row) Colleen White, Deanne Schwaiger, Pat Davey, Linda Lamm, Lynn Pruesser, Karen Drobka.

ANYTHING BOYS CAN DO,

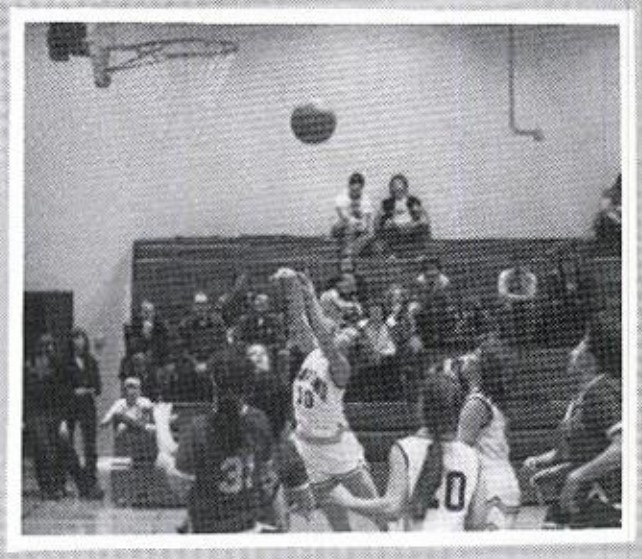
"Our 1981-82 season was a lot of fun. We worked hard and accomplished more than past M.L. girls' basketball teams have. We had a great team relationship, and it showed from the school records that we broke. Mr. Kindschi deserves a lot of credit and thanks for his fine job."

-Mary Schneider

"The game plan is . . . "



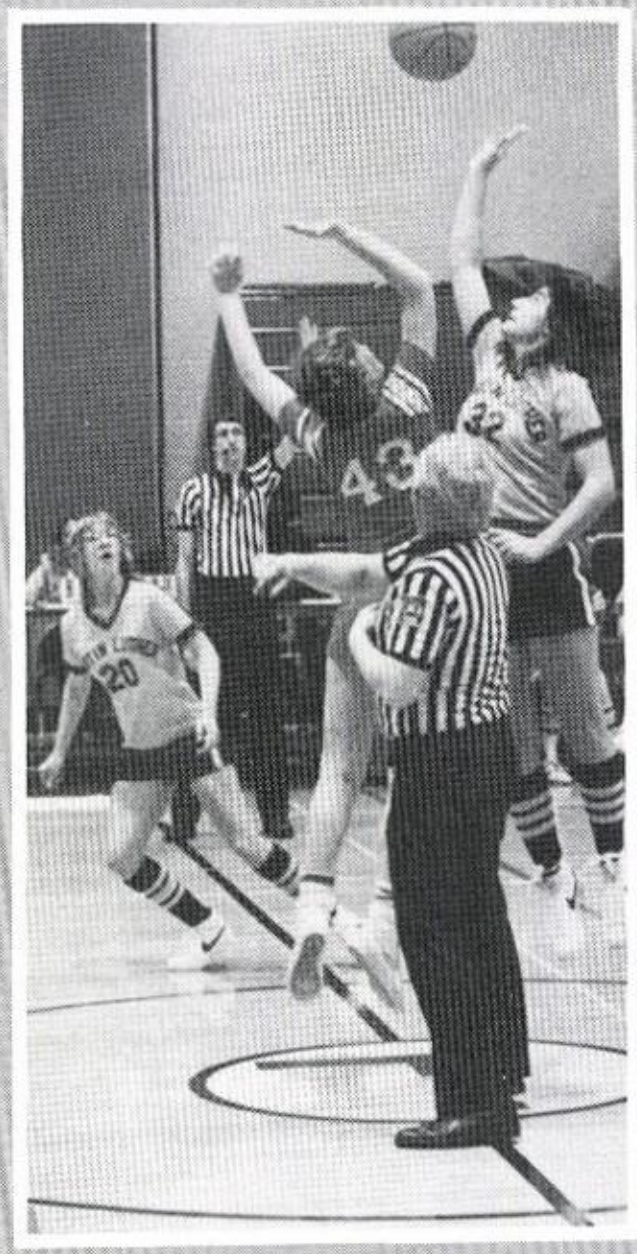
"Please go in"



Linda muscles her way to the basket.

Another ball through the hoop.

Karen breaks away from the pack!



The tip-off

I think I'm in trouble!

I gotcha covered!!

This season's j.v. girl's basketball team did very well. We finished with an 11-4 record and were in the run for best in the conference for most of the season, until we suffered two tough losses. We all worked together in both our wins and our losses. Everyone on the team contributed everything they had for us to win. We all had fun working together with our coach, Mr. Fahl, who helped us have a great season.

-Cindy "Sid" Sowlles

GIRLS CAN DO BETTER!!

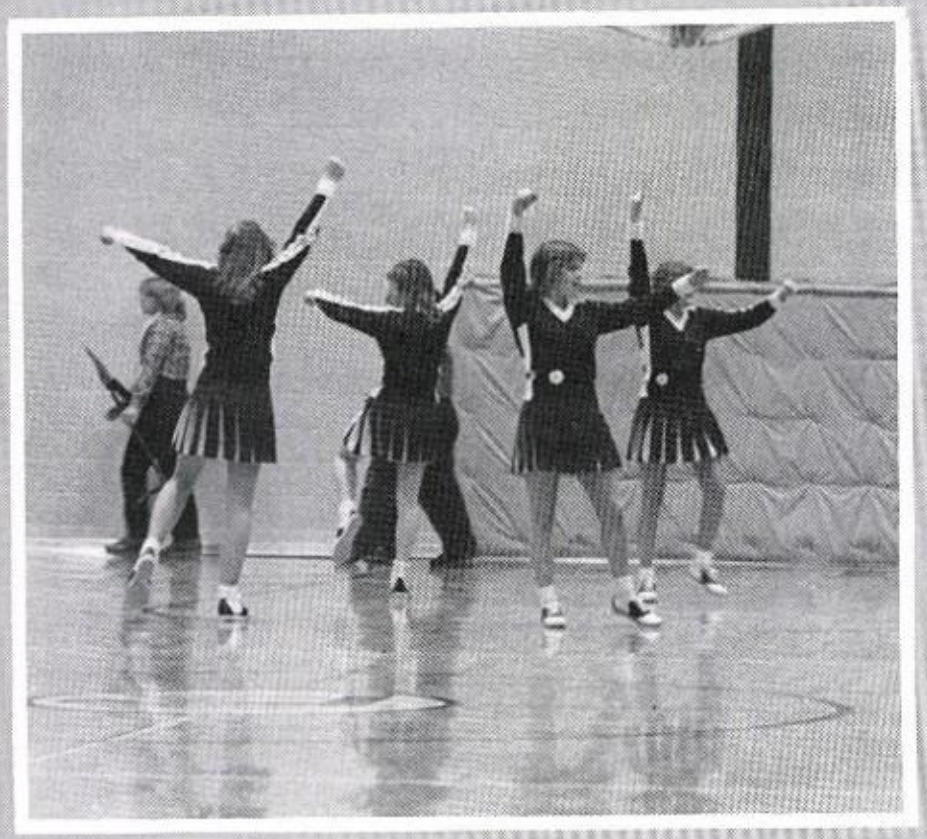
The Cheerleading alternates were: Kim Wohler (J.V.) and Kim Larsen (Varsity).

"This year, cheerleading was a great experience. We really worked well together and got a lot accomplished. Having as much school spirit as we did during the basketball season really helped. The crowd was so involved and really made cheering more fun and easier. It was really great to hear all the shouts and yells. I'm really going to miss cheering and all the good times I've had doing it."

-Dianna Brunner



"Spartans are charging!"

"To me, being on the j.v. pom pon squad was an experience I'll never forger. It was a fun way of being involved not only with the players and the crowd, but also being involved with one another. By being on the squad, I've developed new friendships and strengthened old ones. I wouldn't miss being on the squad for the world. A special thanks should go to our leader, Miss Handlos, for making this opportunity possible."

-Maria Arvelo

Performance with a smile.

"Smile for mommy . . . "

VARSITY SWINGS INTO A SUCCESSFUL SEASON

Kenten Kais pitched a no-hitter.

Our at first . . .

"The baseball team started out the season with only 5 returning lettermen. The rest of the team was filled with Juniors, Sophomores, and one Freshman. The season started off with a first time ever win and no-hitter victory over St. Catherines by Kenten Kais. Kenten and Todd Johnson, the only Seniors, handled the bulk of the pitching all season long, and were responsible for all the victories. As the season progressed and the inexpereince of the younger players was overcome, the team began to register many more wins than losses. By the end of the regular season, the record stood at 12-4, tying the record for wins in a single season. In conference, the record was 9-3 (second place). The highlight of the year was the invitation to participate in a play-off and be one of the teams competing in the state tournament. All in all, the season was tremendous." Coach Faszholz.

The Varsity Baseball team was: (Back row) Rich Hayden, Coach Faszholz, Mark Berlinski, R.T. Tausz, Kenten Kais, Todd Johnson, Mark Mohr, Paul Hain, Dave Ecklund, Coach Berlinski. (Front row) Jeff Sheldon, Brad Eggold, Rob Berlinski, Dan Risse, Jon Lemke, Bob Gawlitta.

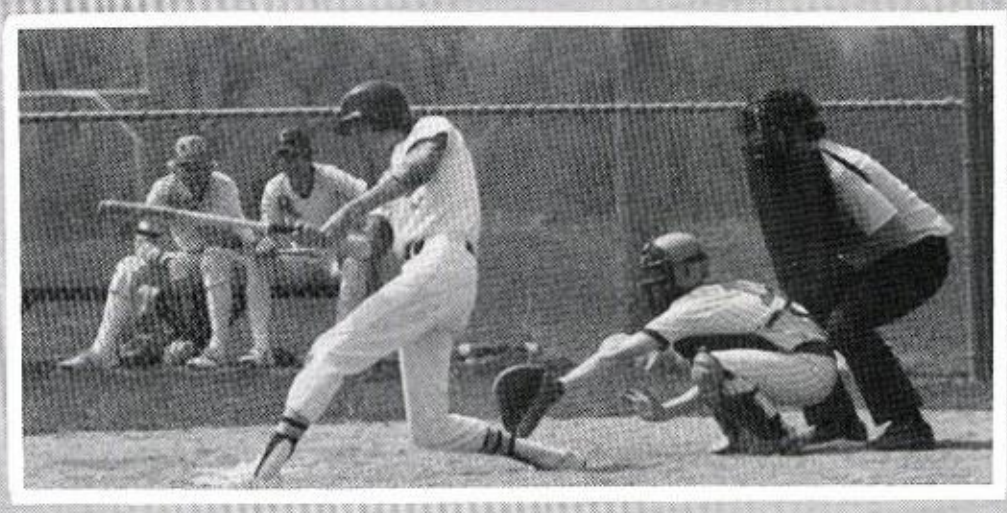
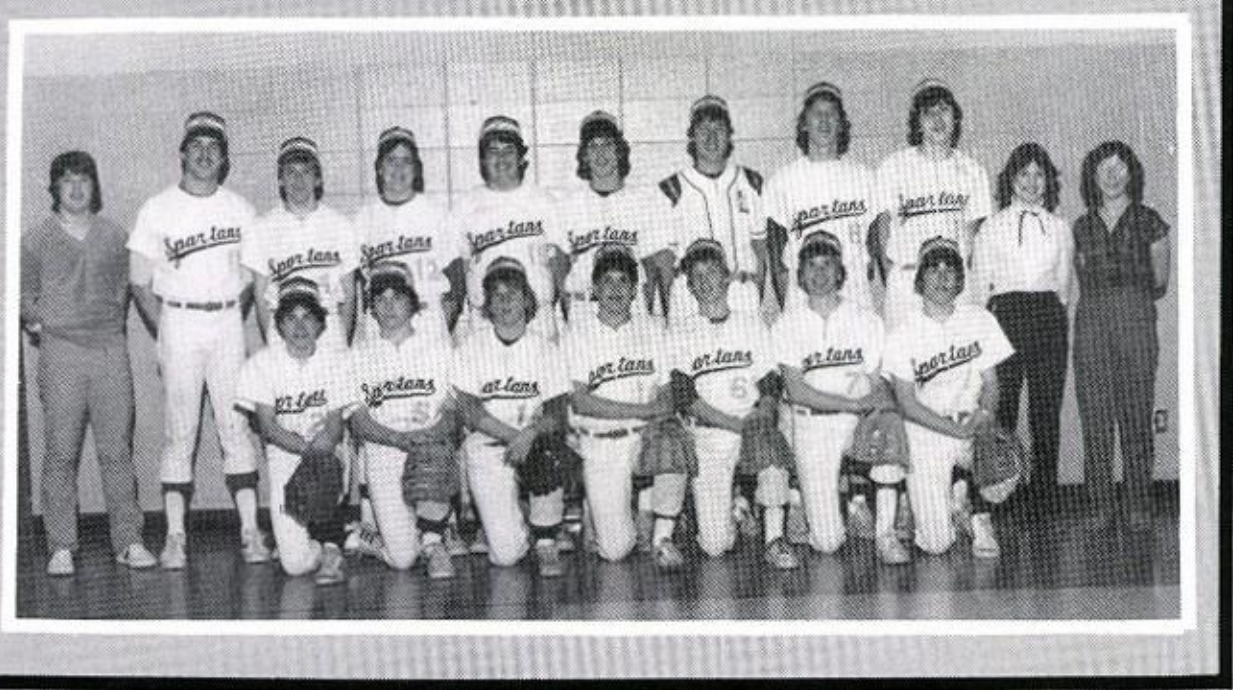
J.V. SHOWS PROMISE FOR CONTINUED PROGRESS

Paul takes a slide . . .



Dave makes a hit . . .

"After a jittery 0-2 start, the j.v. baseball team caught fire to finish with an 11-2 record. After an exciting 11 inning come from behind victory over St. Mary's, they tied for first in conference play. Their conference record was 10-1. The success of the team's expereince was attributed to the talent of everyone. Their future looks promising if they continue as they have this year." Coach Burgess



The J.V. Baseball team was: (Back row) John Underly, Coach Burgess, Jim Brubaker, Bill Rupp, Kory Kais, Mike Fassbender, Chuck Freimund, Paul Fassbender, Mike Stenz, Margaret Lambrecht, Linda Mahler (Mgrs.). TRACKMEN DO

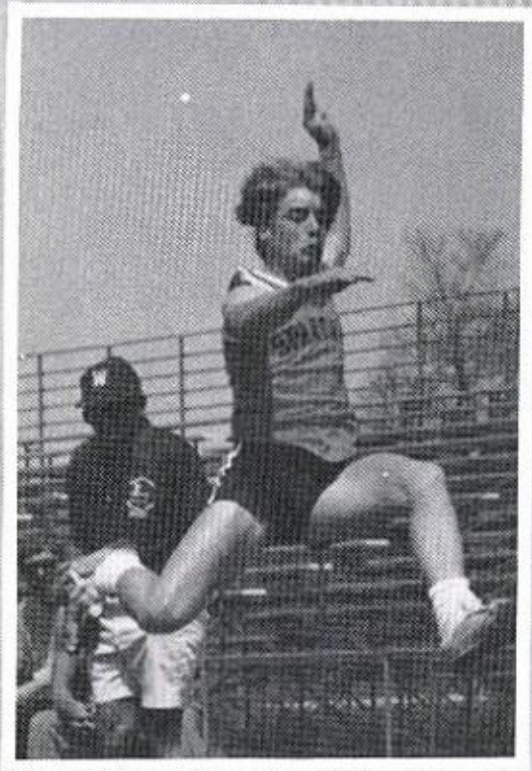
The 1982 Track team was: (Back row) Coach Reigles, Gary Monreal, Jeff Ryra, Doug Kucharski, Scott Dethloff, Tom Sauter, Mike Jochem, Neil Johnson, Tom Campbell, Ron Pense, Paul Consigny, Coach Herzog, (Middle row) Srephen Abel, Bob Mauritz, Clark Kosinski, Scott Kroening, Tony Strzelecki, Jeff Fisher, Mark Jubeck, Carson Williams, Keith Domagolski, Tim Viola, John Semancik, John Adali, (Front row) Ted Boyer, Richie LaBodda, Todd Hernke, John Retzlaff, Paul Heise, Doug Beese, Ted Simpson, Brian Peters, Glenn Diedrich.

Doug Beese was one of the major point getters for this year's squad.



Bob Mauritz will be a great asset for next year's squad.

Dale Kohlmeyer was successful in the high jump and distances this year.

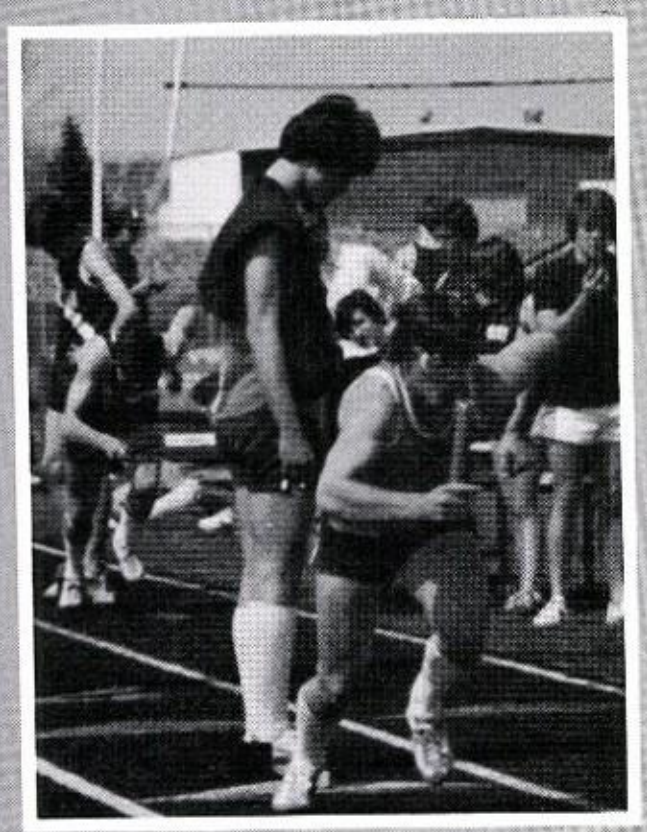
Ted Simpson — on his way to another first.

"All in all, the '82 season was pretty good. We finished the season with a .500 record, and placed third in the conference meet. The one thing that the team was lacking this year was depth. There was really none at all. We just had outstanding individuals in certain areas, to name a few: Todd Hernke, Ted Simpson, myself, Dale Kohlmeyer, and Paul Consigny, among others. We were a young team. We look forward to a better season next year, when we have more experience." — Doug Beese

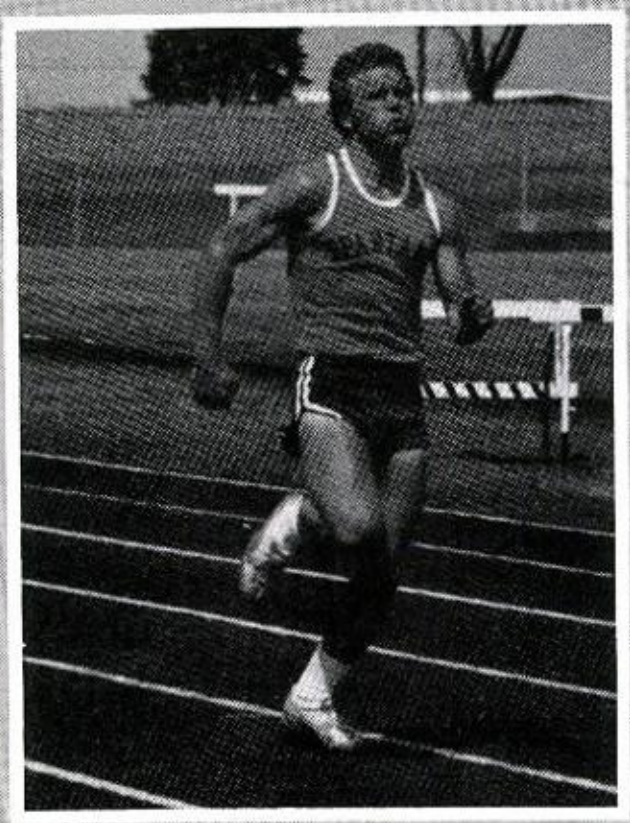
IT FASTER!

M.L.'s distance runners were very successful and stuck together as a group.

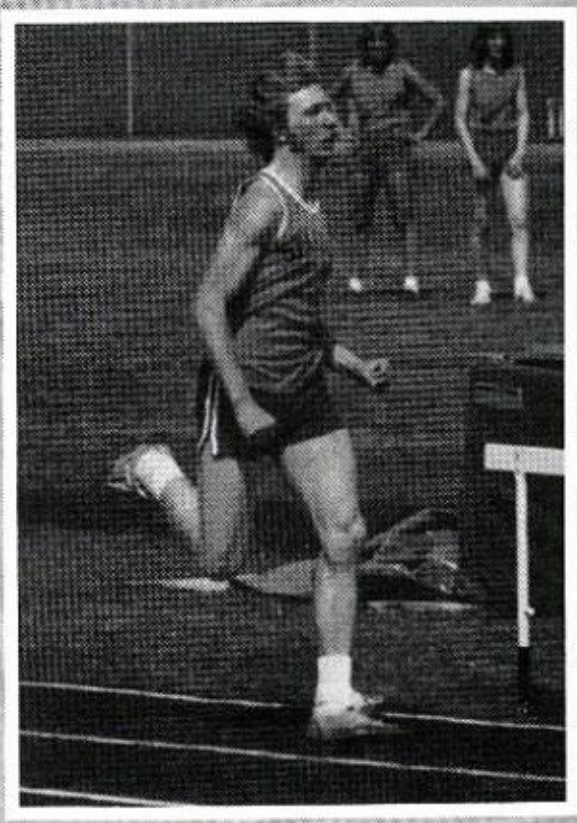
John and Todd demonstrate a perfect hand-off.



Paul Consigny — off to a good start.



Todd Hernke — on the way to the finish line.



John Retzlaff kicks it out on the back-stretch.

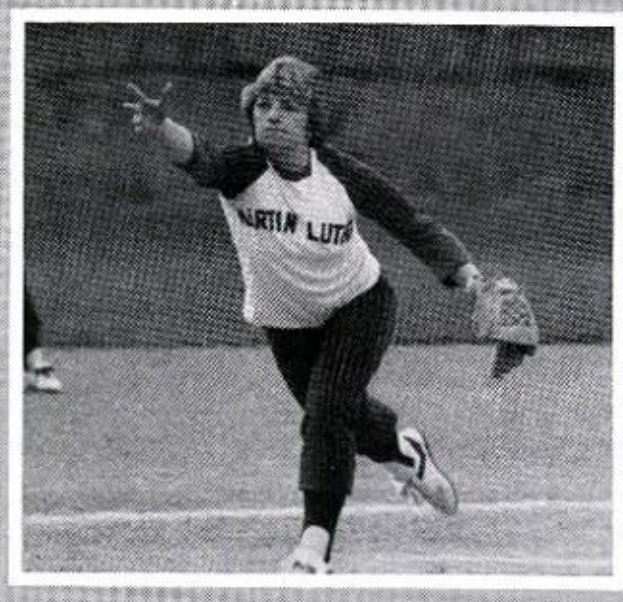
Doug Kucharski will be a big help for next year's squad.

Mike Jochem — up and over the pole vault.

HIGH HOPES CARRY GIRLS

The Varsity Softball ream was: (Back row) Coaches Fahl, Sue Sowiles, Debbie Sellers, Kim Larsen, Julie Reidel, Karen Mohr, Shelley Schultz, Mary Warber (Mgr.). (Front row) Pat Davey, Tessie Howe, Jenny Ulbing, Colleen White, Kitty Drobka, Deanne Schwaiger, Julie Heinz, Linda Lamm.

Sellers bears the tag.



Lamm delivers another strike.

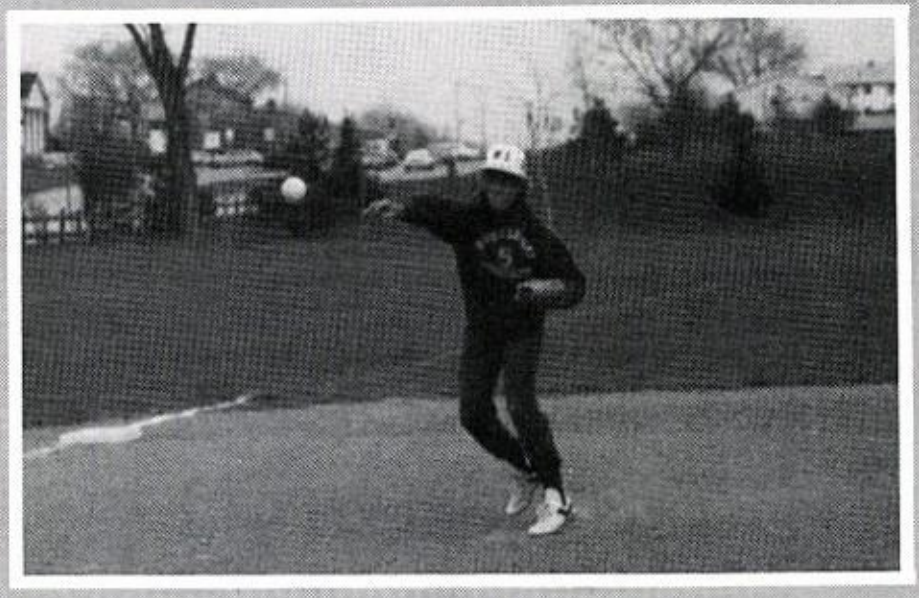
Larsen goes for it in left.

"The softball ream this year was really awesome! We all played together as a team and not just for ourselves. We worked and played hard. We played to our fullest most of the time, and when we didn't, we learned from it. Isn't that what a ream is all about anyway? We played together through both the good and the bad times, took our wins and losses with our heads up, and were proud to be a part of the team and Martin Luther." — "P.D."

Varsity clowns around, just a little.

THROUGH VIGOROUS SEASON!!!!

Kim goes for the gusro!!



Sid makes the play at home.

Cesar throws while Kraft and Theimke look on.

Hansen gets the grounder.

"Even though we improved our record from last year to 2-6-1, it was still a disappointing season so far as the win-loss record. The girls did however show a lot of character throughout the season. Even though they were down in several games, they never gave up and they put forth 100% until the last out." Coach Jensen.

The J.V. Softball team was: (Back row) Coach Baxter, Heidi Derhloff, Allison Lien, Laura Schuldt, Kim Hohmann, Cindy Sowlles, Kris Kraft, Coach Jensen. (Front row) Linda Gawlitta, Cindy Tomaszewski, Luanne Miracle, Kim Cesar, Stacy Hansen, Linda Richards, Joy Theimke.

THE GIRLS GALLOP

The Girls' Track team was: (Back row) Coach Greve, Lisa Zeman, Jenny Jessup, De Ann Dobesh, Jodi Marr, Lynn Luedke, Dianne Holzman, Sue Holmquist, Lori Schenzel, Kerry Miller, Wendy Collins, Shelli Bohlman, Kristin Schroeder, Linda Riese, Coach Menzel. Sue's jump is successful.

Take off!

Lynn takes the handoff.

TO SUCCESS!!

Terri passes the finish line.

Kay flies over the hurdles.

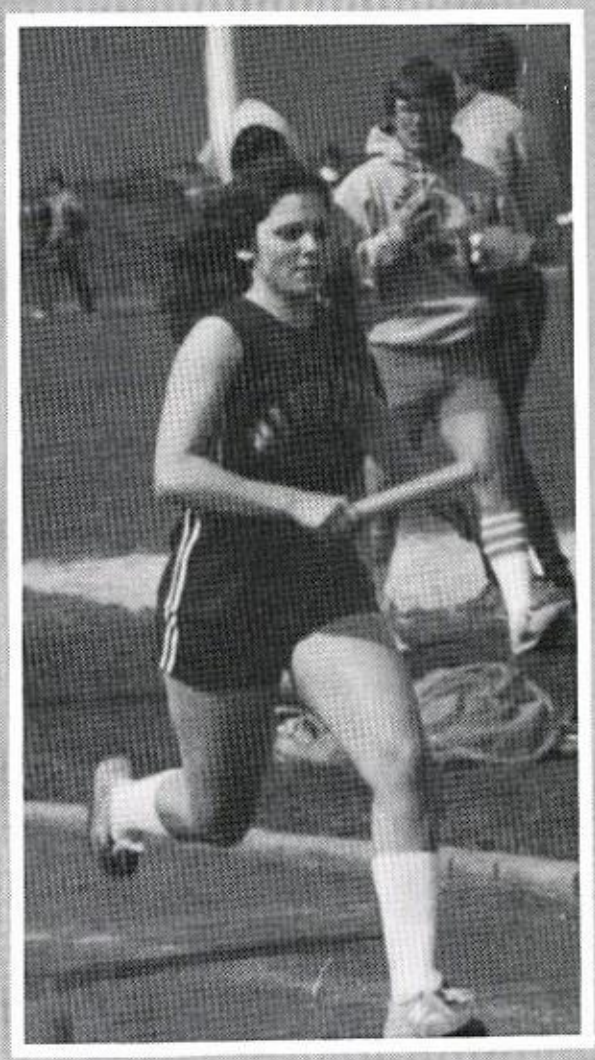
All set!

"Track is a challenging and fulfilling sport. The members of this year's team were both hard working and successful. They finished fourth at both indoor and outdoor conference meets. They took first place at the Midwest Prep Relays and third at the Slinger Invitational. They also won all their dual and triangular meets. There were 9 records broken this year. Many were broken several times. Track takes a lot of time and dedication, but it is all worth it in the long run."

— Sue Missun

Kristin is quick.

This year's conference relay champs.

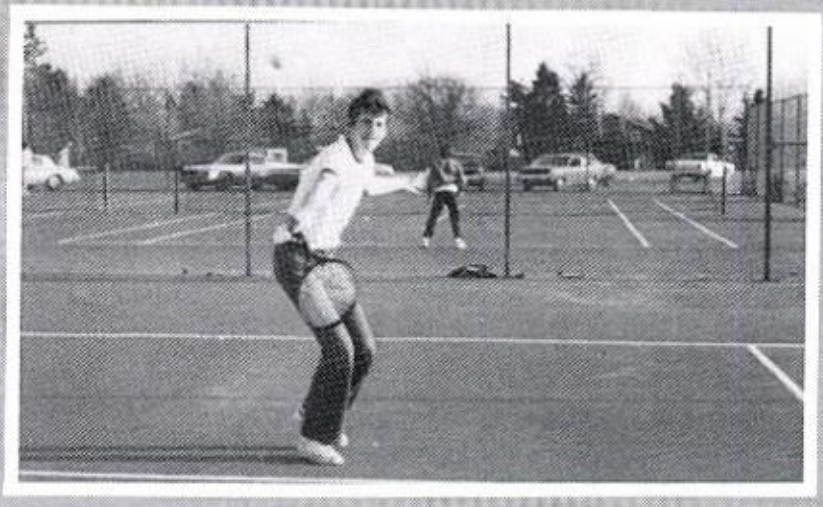


Diana is off to a good start.

TENNIS TEAM SERVES UP A STORM . . .

The Tennis team was; (Back row) Terry Duchow, Joel Bahr, Jon Drews, Greg Chladek, Steve Schoessow, Don Krubsack, Don Voss, Coach Torres. (Front row) Tom Keekley, Mike Quast, Michelle Spears, Steve Buerow, Carolyn Johnson, Jay Reinke. (Not pictured) Al Meirler.

The tennis team, under the direction of Coach Torres, had an amiable season this year. An unfortunate defeat was always followed by a promising victory. Such strong players as Steve Schoessow, Al Meitler, Don Krubsack, Joel Bahr, Greg Chladek, and Jon Drews formed the backbone of the team and helped to make the season a successful one. Although the loss of the team's 3 Seniors (Joel Bahr, Don Krubsack, and Al Meitler) will be an unfortunate one, the underclassmen on the team will make future seasons successful.



Steve Buetow, at center court.

Sophomore Jay Reinke returns a volley.

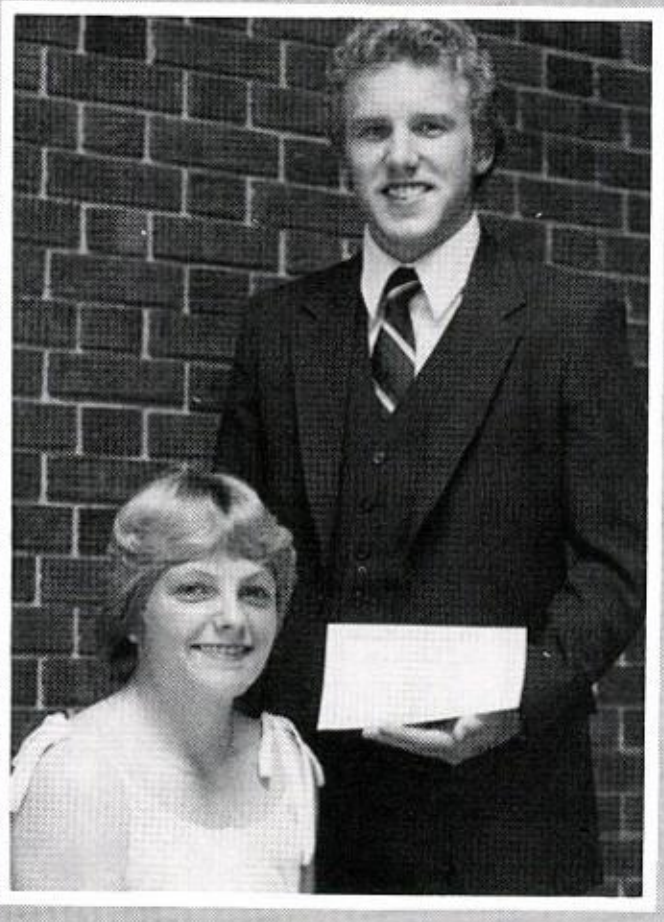
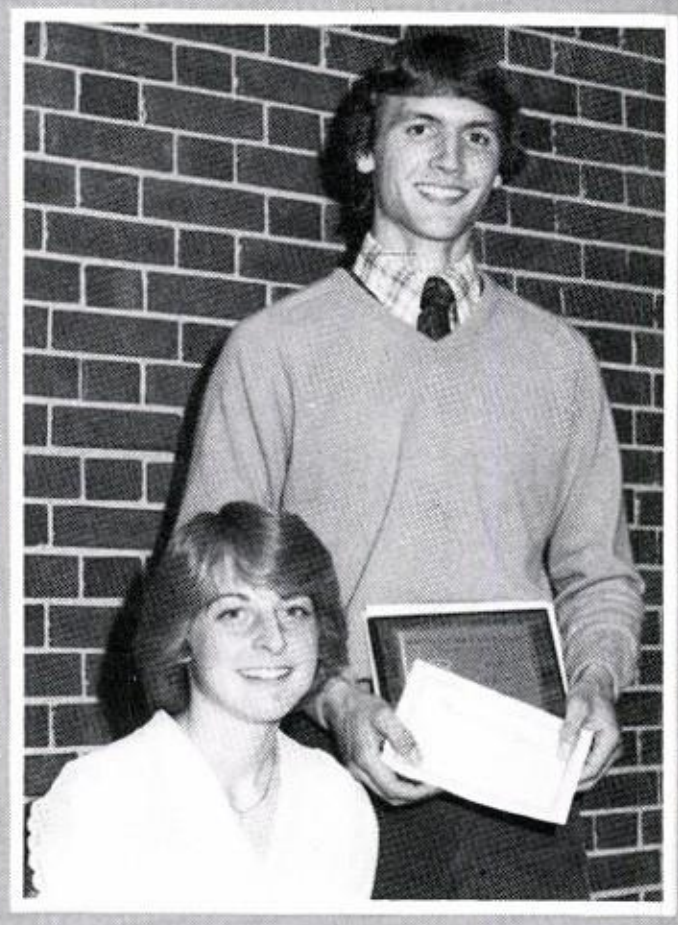
ATHLETES ARE HONORED



On May 26, 1982, athletes and coaches joined in an evening festivities. This year's speaker was Eric Torkelson, of the Green Bay Packers. Among the awards given for outstanding athletes was a special award, presented to Mr. Richter from Jim Dahl and other alumni in honor of all his help and service through his years here at M.L.



Athletes of the Year — Todd Hernke and Linda Lamm.

Christian Athletes of the Year — Lynn Prueser and Andy Hafeman.

NEWS of 81 - 82

SUMMER SUMMER
ROYAL WEDDING

On July 29th, 1981, Charles, Prince of Wales, married Lady Diana Spencer in the Wedding of the Century. Over 750 million viewers around the world watched this fairy-tale-like wedding in London's St. Paul's Cathedral. Twenty-six clergy and over 97 musicians added to the excitement of an event to be long remembered.

SUMMER SUMMER SUMM
BASEBALL STRIKE UPSETS FANS

The third and most devastating walkout in the sport's history accurred the summer of 1981 as baseball players all over the country went on strike for 50 days. 713 games were cancelled and players lost an estimated $28 million in salaries. The main issue involved in the strike was what compensation an owner should get if one of his players became a free agent and signed with another team. The argument was settled with neither side actually gaining very much. Although the season was resumed, many former baseball fans lost faith in America's favorite sport and turned to other pastimes.

WHAT IT TAKES TO WIN THE YEARBOOK COMPETITION!

To get his class to win the competition, Mr. Koepke had to offer Lenore, DiAnn, Amy, and Lori "A's" in exchange for their money. (And you thought those girls were smart!)

At the beginning of the competition, it looked as though we would never win. The seniors were DISGUSTED!

As Don, Scott, Mary, Jim, Beth, Peter, and Kim brought in the big bucks, Diane tabulated the money.

Bob and Gary had to use force to get money from Ed Hanke, while Lori Storm and Mr. Koepke robbed him of everything he owned.

To raise some money (in their case it turned out to be A LOT), Shelly and Marie sold kisses to the gentlemen in the class.

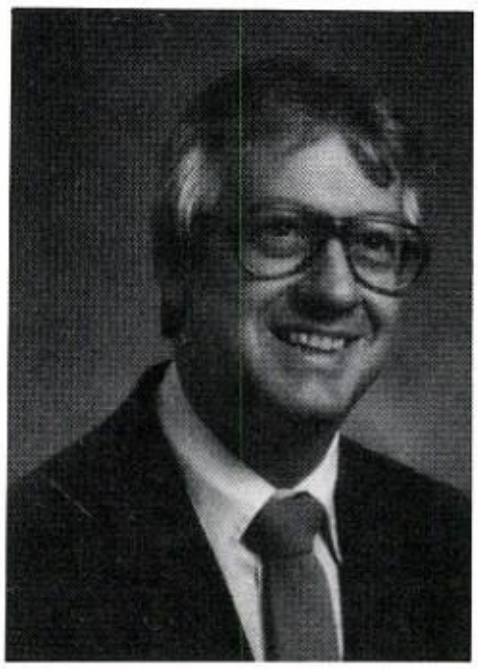
A TRIBUTE TO MR. RICHTER . . .



"God has richly blessed me here at Martin Luther High School in many ways.

It's often related how students are inspired by teachers. I have been inspired by students - who, through their faith, their dilligence to their tasks, their loyalty to their school and, most of all, to their Lord, have helped me grow closer to them and to my Lord and Savior Jesus Christ. God is moving me on, but a very special part of me will always be here at Martin Luther.

God bless you all and keep you in his molding hands throughout your lives. Stay soft and pliable, allowing God to shape you into His vessels. I love you all, as He does."

Ted Richter

Mr. Ted Richter is an original. Not only is he one of Martin Luther's first teachers, he is also a unique person. In 1968, Mr. Richter started the Art department at Martin Luther and made it what it is today. Mr. Richter has been involved in just about everything at Martin Luther at one time or another. Some of his greater accomplishments are: assistant coaching of football and track, coaching of wrestling, managing the publicity for the different events at Martin Luther, and helping to plan, decorate, and supervise school dances. One of Mr. Richter's favorite hobbies is working with his pottery. At home, he has a workroom with a kiln and potter's wheel. He's combined his love for pottery and his love for God into an interesting presentation in which he can witness to others. He is the president of the congregation at Our Shepherd Lutheran Church. He also teaches Sunday School there. He is very willing to help others. Mr. Richter is known for always being there to help his fellowman. Mr. Richter is devoted to his wife Cecilia (Ceci) and their two sons Matthew (12) and John (10). His wife is a teacher in the Greendale public schools. They both enjoy doing many things with their children as a family. They are all very strong in the Lord. Mr. Richter holds a strong rapport with the faculty and students here at Martin Luther. The teachers will always remember getting together on M.L.'s birthday (also Mr. Richter's birthday) and writing songs. One of the most popular was "Johnson's Boys." Mr. Richter is known to the faculty as the "Hammer" for his tough rebounding in the faculty basketball games. He's a very athletic and physically strong man, yet personally, artistically, and spiritually he is very gentle. Mr. Richter is a very special person and will be greatly missed as he is moving to St. Louis in order to enter the seminary.

The end of this yearbook symbolizes the end of the 1981-82 school year. This end gives you the chance to relax and break away from the responsibilities that school brings. This isn't true when you speak of the yearbook staff. All through the school year they have been working very hard to bring you this book and just because it's summer, their work isn't necessarily finished. Many finishing touches still need to be put on the book and next year's staff is already busy planning their book.

The Phalanx staff hopes that they have succeeded in capturing the unique memories of this year and that these memories will be kept alive through this yearbook and cherished forever.
